EXPLANATORY REMARKS.

General remark - The estimate is prepared on the assumption that the plague preventive measures such as inspection and observation of travellers by sea - as carried out last year will require to be recommenced this year also, from September next, when sea communication is restored; and the charges on account of the Establishments to be maintained at the seaports - which were hitherto debited to Local & Municipal funds, are now shown in the estimate under 'Provincial' - Direct Charges - with reference to G.O. No. 479, Financial, dated 4th April 1899 & also paras of Accountant-General's letter No. 153 dated 21st June 1899. (Jt. Genl.)

No provision is however made on account of Road frontier Inspection Stations as plague now prevails in Mysore only to a small extent & is confined to two Districts - (Mysore & Kolar) which do not adjoin this District - so that it does not seem necessary to reopen the said stations unless & until plague should appear in the Districts adjoining this.

(a) Includes pay of the following officers:- monthly cost
(1) Apothecary at the Mangalore Port. Rs 100
(2) Three Hospital Assistants at Malpe, Hangarkatta and Gangoli - at Rs 30 each 90
190

Note. It is considered advisable to have separate medical officers for this duty as in 1898, since the arrangement made in the beginning of this year for want of sufficient medical officers, whereby the Apothecaries at Coondapur & Kudaji were required to act as Port Health Officers at Gangoli & Malpe respectively is not convenient. No separate medical officer is however required at Baindur.

(b) Includes the allowances payable to the following officers:-
(1) Apothecary at Mangalore Rs 50.
(2) Hospital Assistants at Malpe, Hangarkatta & Gangoli - at Rs 10 each 30.
(3) Hospital Assistant at Baindur 5

(c) Includes the pay of the following Establishments:-
(1) Eight Watchers at Rs 6 each for the plague camps at Malpe, Hangarkatta, Baindur & Gangoli Rs 48.
(2) one peon for the Mangalore plague camp " 7.
(3) Three peons @ Rs 6 each for the stations at Malpe, Hangarkatta & Gangoli - " 18
(4) Two Coolies & two boatmen for the Mangalore camp - " 23

O R D E R:-No.785, dated 12th July 1899.

PROVINCIAL. The Collector's estimate has been prepared on the assumption that the inspection and observation of travellers by sea will be ~~recommended~~ recommenced when communication by sea is restored in September next. The necessity or otherwise for this provision will be clearer when the Estimates for next quarter are submitted. At present there does not appear to be any reason to provide for the contingency and the Estimate will be placed at Rs.1,500 the difference between this sum and past actuals (Rs.1,113) being distributed against Miscellaneous.

2. The Estimate under 3 LAND REVENUE will be rounded to Rs.~~700~~ 200, by the omission of the provision for a clerk and by reducing the allotments for Telegraph Charges in the third and fourth quarters to Rs.17 in each case.

3. MUNICIPAL. The Estimate will be reduced to Rs.500, the provision under miscellaneous being reduced to Rs.50 in each of the third and fourth quarters.

4. The Estimates as revised will be entered in the consolidated plague estimates for the quarter ending 30th September
