From

L. E. BUCKLEY, Esq., I.C.S.,

PLAGUE COMMISSIONER,

To

The Secretary to the Board of Revenue,

Land Revenue Department.

SIR,

In returning the papers received with your Reference A. No. 96 dated 11th April 1899, I have the honour to state that I support the Collector. The extra establishment in the office is required to deal with plague correspondence and passports. As for the Sub-Magistrate at Hosur I consider it desirable that he should remain. Though plague has practically ceased it has left plenty of work behind it for the Tahsildar, and it is necessary that in the event of a further outbreak, which is not unlikely, he may be free to move about.

I have the honour to be,

Sir,

Your most obedient servant,

P.C. L. Buckley
for Plague Commissioner.

Sir,

I have the honour to request that sanction may be accorded for the retention of the following temporary establishments entertained in view of plague till the end of the current calendar year. If the present decrease of the epidemic continues it will most likely be possible to effect reductions or abolish them later on, but at present there is uncertainty. I will, however, dispense with what I can as soon as it is possible.
