20. MAR 1899

NELLORE COLLECTOR'S OFFICE,
DATED 18th March 1899.

From C. Mr. Moulaly Esquire.,

Collector of Nellore.

To the Plaque Commissioner, Madras.
Through the Accountant-General,
Madras.

Sir,

On receipt of your Proceedings
Ref on C. No. 1572, dated 7th February 1899, I
informed the Chairman Municipal Council,
Nellore that the Salary of the Local Fund
Hospital Assistant, Nellore, should in the
light of the instructions contained in paras
2 and 3 of the above Proceedings be debited
to Municipal funds and that steps should be
taken to adjust the amounts already paid
from Local Funds. In reply the Chairman
has forwarded the resolution of the Council
(Enclosure A) that "as the Hospital
Assistant is only a Local Fund reserve
man and as he was not deputed to work
under the Municipal Council, the Council
is not prepared to meet his pay or any portion

of it from the municipal funds". In this view the Municipal Council is supported by the Inspector of Local Fund Accounts, who in reply to a reference from the Chairman on the subject said that "unless the Hospital Assistant is deputed to work under the Municipal Council on duty solely connected with the plague his salary should continue to be debited to Local Funds" - vide his letter No. L.F.D. dated 16th February '98
787
(Enclosure B)

2. It will be seen from the Correspondence enclosed (Enclosure C) that the Chairman himself nominated the Hospital Assistant in question in his letter No. 675 dated 1st July 1898 and his nomination was approved of by the Collector in due course under regulation 17 (II) of the original Mufassal Regulations. The statement that the Hospital Assistant was not deputed to work under the Municipal Council is therefore unintelligible. The Hospital Assistant has, as a matter of fact,

been doing solely municipal work in the Nellore Town and should therefore be paid by the Council. The Local Board cannot afford to maintain a Hospital Assistant for the Cholera and plague work of the Municipality and if it persists in its refusal to pay, the services of the Hospital Assistant will have to be withdrawn and the Municipality left to make its own arrangements. In these circumstances, I think, the salary of the Hospital Assistant must be debited to Municipal Funds. The official year is drawing to a close and I request that definite orders be obtained in the matter.

Pending final orders the salary of the Hospital Assistant will continue to be paid from Local Fund Ordinary.

I have the honor to be,
Sir,
