SIR,

With reference to your letter

Ref. on. bu. no 929 dated 11.4.99 I

have the honor to state with the
hot weather well ^{on us} ~~over~~ - with plague
decreasing in all directions and
plague establishments being broken
up, I fail to see any necessity
for the employment of Revenue
Inspectors in the Kolar frontier.
They cannot keep plague out if
it is coming: If it comes I shall
not

not hear of it quicker by reason
of their existence; the grounds
for the entertainment of such
men are far less strong than
they were when we ^{abolished} established
the original observation circles.
Before therefore I appoint any
such men, I beg that you
will kindly inform me what
useful purpose they are expected
to serve.

I have the honor to be,

Yr.
most obedient
servant
