Reference on No 197 S.O. 99

Sir,

With reference to your endorsement dated the 27th Instant No 188 P, I have the honour to resubmit the 14 revised Estimates as also the bills for the plague shed at Tiruvannamalai as finally passed by the District Board Engineer after check measurement and to request you to be pleased to sanction the Estimates and place the amount at my disposal in the Tiruvannamalai Taluk Treasury. It being a provincial Charge (G.O. 479 Financial 3rd April '99) a formal allotment of funds seems to be necessary. In connection with the mortuary, the Engineer has disallowed the amount provided for Corrugated iron sheet

on

on the ground that the Contractor used only
flat Zinc sheets. The recommendation of the
Engineers to pass half the amount provided therefor
may be accepted. As regards the square flat
Zinc sheets used instead of galvanised iron
panels or buckets the amount being small
may be disallowed. The slightly increased
rates in a few items now claimed by the
Contractor and recommended by the District
Board Engineers may be approved. I
approved of them during progress of the
work to expedite completion.

The amount which will have to be
passed for payment to the Contractor
will thus amount to Rs 1354-7-7.

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

MADRAS.

SIR,

Enclosures:-

- (1) Copy of Sub-collector's letter
- (2) 14 estimates with list
- (3) Comparative statement

I have the honour to submit herewith
for the sanction of Government 14 revised
Estimates for the Construction of Plague Sheds
in connection with the Railway Suspension
Station at Tiruvannamalai. The original
Estimates were sanctioned by the Plague Commis-
sioner in his Proceedings No 575 dated 2nd
March 1899. All the Sheds were completed
by the 10th May 1899. The District Board
Engineer was asked to check measure the
work and the revised Estimates now submitted
are as passed by him. A Comparative State-
ment accompanies the Estimates showing the
"original" and "revised" amounts and that approved
by the District Board Engineer. A sum of Rs 1400
was provided in the Budget for "petty construction
and repair"

and repair"

and repair" for the quarter ending 30th June

1899 against the Tiwaimamalai Municipality.

But under para 4 of G. O. No. 479 Financial

dated 4th April 1899 and para 2 of G. O.

No 615 Financial dated 17th May 1899 the cost

of the sheds has to be met from Provincial

Funds as "Direct" charges though the amount

has been shown under Municipal in

G. O. No 569 dated 3rd May 1899. The

amount of the revised Estimates may be

met from the provision in the budget

but debited to "Provincial - Direct" charges.

I have the honour to be

Sir

Yours most obedient servant

Note for the CS

The Collector of South Arcot

submits for sanction the revised estimates

for the construction of plague sheds in

connection with the Railway Inspection Station

at Tiwaimamalai. A sum of Rs 1400

has been provided in G.O. No 569 File

dated 3rd May 1899 under Municipal

on account of these estimates. As it has

since been decided that the cost of

construction and maintenance of camp

sheds at Railway inspection station

should be debited to Provincial, - vide

G.O. No 615 File dated 17th May 1899, the

cost of construction of plague shed (Rs 1354-7)

at Tiwaimamalai railway station

should be from a Provincial charge. In the

estimate received from the Collector of

South Arcot for the current quarter, a

sum of Rs 1400 has been provided under

Provincial - 242 grants for medical

purposes on account of these estimates

and this will be accepted while revising

the plague estimate of that district.

NOTE FOR THE Secy. & Fin Dept

The estimate for now submitted
are for sheds already constructed.

2. The inspection station at
Tiruvannamalai was ordered to
be abolished in G.O. No 278 P.d
12-6-99, para 2. The original is at Ooty.

3. Instruction regarding the disposal
of sheds have been issued in
I para 9 of G.O. No 278 P.d/12-6-99.
This G.O. has already been
communicated to the Fin Dept.

4. Should plague reappear
in the N. Arch St. it is almost
a certainty that inspection of
trains will be recommenced at
Tiruvannamalai.

for
17/7/99

The L.O. sanctioning the
station (containing para 2)
may now issue.
As Tiruvannamalai may probably
be opened again as an inspection
station, it would be
unwise to propose demolition
of these sheds at present.
