FORT SAINT GEORGE.

SIR,

With reference to G.O., No. 1074 P., Mis., dated 12th

July 1898, I have the honour to state that as the materials of the walls and roofs of the Plague sheds at Kondapalle were of a perishable nature and required repairs if they were to be kept standing, and as they could be renewed at very short notice, I considered it best to dismantle them and accordingly directed the Head Assistant Collector to sell the materials by auction. I however directed that the Cement basements should be left intact, and the Village officers of Kondapalle have been directed to see to their remaining undisturbed in case it should be necessary to reoccupy the site later on.

2. I enclose herein 2 spare copies of the Establishment list as desired.

I have the honor to be,
Sir,

Your most obedient Servant,

M. S. G. A. N. S. for collector.
