NOTIFICATION.

Fort St. George, January 10, 1899.

No. 18.—In the exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, His Excellency the Governor of Fort St. George in Council directs that the following regulation shall be substituted for Regulation 8 of the regulations published on pages 1589–1593 of Part I of the *Fort St. George Gazette* dated 18th December 1897:—

8. The President shall provide and maintain in such localities whether within or without the Municipal limits, as in the opinion of the Health Officer of the Municipality may be proper for the purpose, suitable and sufficient accommodation as approved by the Health Officer and by a Medical Officer deputed by the Surgeon-General or, in the absence of any such officer, by the Surgeon of the District, for the isolation and treatment of persons suffering from or suspected to be suffering from the plague, or to have so lately suffered from the plague as to be in an infectious state, or likely from recent contact with plague cases to have been infected or to be in an infectious state, and for their detention until they shall be certified to be free from infection. In the places so provided, the President shall furnish such hospital establishments, equipment and supplies as the Health Officer may require, and shall also make arrangements for feeding persons detained under any of the regulations now prescribed, on payment by them of the cost; but in the case of indigent persons the President shall supply them with food free of charge: provided that any person so detained may cater for himself subject to such rules and conditions as the Health Officer may prescribe. The President shall also in like manner and subject to like approval provide accommodation for persons who may be required to vacate any building or ground under the preceding Regulations Nos. 3 and 4, and who may be unable to procure necessary accommodation for themselves. He shall also appoint such other establishments as he considers necessary to carry out the Regulations under the Epidemic Diseases Act, 1897.

Explanation.—Any certificate given under this regulation should contain an accurate description of the person named in it to prevent so far as possible its being used by another person.
