SUBJECT.

Local Allowance to the Hospital Assistant at Madigundam, Coimbatore Dt.

FOR ORDERS.

The Road Inspection Station at Chickkarlis in Kollegal Taluk was transferred to Madigundam a village in the same Taluk and the Hospital Assistant who was drawing a local allowance of Rs: 5 p.m. while in charge of the former Station owing to the unhealthy nature of its climate claims the continuance of the allowance at Madigundam also. The Deputy Collector and the District Medical & Sanitary Officer recommend the continuance of the allowance owing to the (1) general unhealthiness of all the places in the Kollegal Taluk (2) Comparative dearness of provisions, (3) the necessity for extra clothing & (4) the trying and responsible nature of the work done by the Hospital Assistant. The Surgeon General supports them. The Collector

The above only gets plague allowance for three months.

reports that this station is close to Kollegal & comparatively healthy and as the clerks employed at Kollegal do not draw ~~Rs 10~~ this allowance he does not recommend it in the case of the Hospital Assistant.

The Police Constables doing plague duty under this Hospital Assistant at Madigundam appear to draw a local allowance of Re:1 each – Please see the establishment list. pag. 2 – ~~and the Collr has stated that~~. The Surgeon General says that the whole of Kollegal Taluk is unhealthy.

The Hospital Asst already gets an allowance of Rs 10 a month for plague work.

We do not accept the Collector's opinion on these matters.

Forwarded. The Collector is presumably in the best position to judge of the necessity or otherwise for the grant of the local allowance. Appendix 26 c of the Civil Service Regulations quoted by the Surgeon General only deals with increased mileage and daily allowances in certain tracts, of which Kollegal is one. There the Hospital assistant would draw as a matter of course whenever he travelled.

Enclosure No. 2 to Letter No. 1392 dated 6/6/99

FROM

Ag. COLLECTOR OF THE

Coimbatore DISTRICT,

To

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras.

SIR,

I have the honor to submit the ~~the orders of Government. favour of your orders.~~ for following case for

2. In this office letter R. o. C. No 3235(a)/Rev of 98 dated 26th January last, the grant of a local allowance of Rs 6 per mensem was recommended to the Hospital Assistant now plague duty at the Road Frontier Inspection Station at Chickkailur in the Kollegal taluk and the same was sanctioned by the Plague commissioner in his Proceedings No. 398 of the 10th February 99.

3. Subsequently the Road Frontier Inspection Station at Chickkailur was transferred to Muddigundem another village in the same taluk and the Hospital Assistant who was likewise transferred to

to the latter Station applied through the District Medical and Sanitary officer for the continuance of the grant of the local allowance at the new Station.

4. As the grant of the allowance was originally recommended and sanctioned mainly on the ground of the extreme unhealthiness of the old Station (Chickkailur) and as the new station was reported to be comparatively healthy and close to Kollegal, I was not prepared to recommend the continuance of the grant as the Clerks and Gumastahs similarly situated at Kollegal are in receipt of no extra allowance. But the Deputy Collector at Kollegal and the District medical and Sanitary officer think that the Hospital Assistant should have the allowance in Consideration of the following grounds:—

1. The general unhealthiness of all places in the Kollegal taluk.

2. The Comparative dearness of provisions

provisions. 3. Requisite for extra warm clothing

4. The trying and responsible nature of the work which the Hospital Assistant is expected to do. The new station is 1½ miles from Kollegal. 5. If Government think the Hospital Assistant entitled to the allowance it may be passed. Personally I do not recommend it.

I have the honor to be
Sir
