Grant of Wynaad allowance of Rs 15 to the Hospital Assistant at Iritty.

Financial department

Note

The facts of the case are fully set forth in the L. M. note below. As regards the allowance to the hospital assistant at Iritty, it is submitted that there is no objection to its being granted. In G. O. No. 56 Fin'l dated 21st January 1889 a special allowance of Rs 15 was paid to the Hospital Assistant at Sultan's Battery in Wynaad.

The compounders in Wynaad are paid only a uniform rate of 4 Rupees as Wynaad allowance. No allowance is said to be granted to the Surgery Coolies.

The charge is an indirect charge on Local funds. ~~The [illegible] may be countersignated. As the charge is debitable to Local~~ it is ~~doubtful if the C. i. of the Judicial department is necessary.~~

SUBJECT.

Granting Wynaad allowance to the Hospital Assistant at Irity

FOR ORDERS.

Fin. U.O. No. 30 d/19.7.99.

The Local Fund Hospital at Kuthuparamba in Malabar Dt was temporarily closed in 1898 and the Hospital Assistant thereof with his staff was deputed to be in charge of the plague camp at Irity & to observe passengers coming from infected parts — G.O. No. 1011 Rev. 5-9-98. Irity is said to be an unhealthy locality and the Taluk Board Tellicherry requests sanction for the payment of an allowance of Rs. 15 p.m. to the Hospital Assistant and of 50 p.c of the pay to the Compounder and the Surgery Cooly attached to the hospital. The Collector supports the recommendation of the Taluk Board as regards the allowance of the Hospital Assistant stating that the special allowance paid to the Hospital Assistants in Wynaad as per G.O. 56 Fin. d 21-1-95 may be [illegible] for plague duty.

allowed in this case also. The compounders in Wynaad are said to be paid only a uniform rate of Rs: 4 as Wynaad allowance whether attached to the dispensaries or plague hospitals — (G.O. No: 2413 L. M. of 7-12-98) and no allowance is said to be granted to the surgery coolies at present. The Accountant General recommends the grant of the allowances as proposed by the Collector.

~~It appears that the Compounder and the Surgery Cooly have already been paid allowances at the rate of 50 p.c. of their salary.~~ ~~Their names~~ The Compounder & the Surgery Cooly do not appear in the plague establishment list and it is doubtful whether ~~as~~ the allowance if any granted to them will constitute a plague charge.

The Colls recommendation may be sanctioned. The charge will be an indirect charge on local funds.

Sir,

Adverting to your Ref on No. 311/L7 dated 22nd February 99, I have the honor to forward herewith the resolution of the Taluk Board at its last meeting from which it will be seen that the Board is still of opinion that the hill allowance granted to the Compounder and Surgery Cooly of the Iritti Hospital is but an adequate remuneration considering the cost of provisions and the general inconvenience of life at Iritti. I may add that the allowance given to the L. F. Sub-Overseer there is 50 p.c. on his ordinary pay i.e. the amount which the Board proposes to give the Compounder and Surgery Cooly.

Sir,

In resubmitting herewith the papers regarding the grant of allowances to the Hospital Assistant and his staff at Iritty, forwarded to me for remarks with G. O. Ref on C no. 989 and 1017 P dated 22nd Ultimo, I have the honour to report as follows–.

2. The Local Fund hospital at Kuthuparamba was closed and the Hospital Assistant with his staff deputed to be in charge of the Plague Camp at Iritty and to watch persons coming from Mysore. (Vide paras 3, 4 and 5 of Collector's memorandum printed in G. O. no. 1011 P. dated 5th September 1898).

3. G. O no. 56 Financial dated 21st January 1895, quoted by the Surgeon General, sanctions a local allowance of Rs 15 to the Hospital Assistant at

at Sultan's Battery in Wynad.
Iritty is an unhealthy place like Wynad and the Continuance of the allowance therefore seems necessary.

4. As regards the allowance to the Compounder, I have already stated that the grant of more than Rs 4 per mensem, the rate sanctioned by Government, is unnecessary - (Vide my endorsement No. 311/L.F. dated 25th April 1899).

No allowance is now granted to Surgery Coolies serving in Wynad.
