For orders

CURRENT No. 4486

It seems rather late in the day to apply for an order when plague is actually decreasing. As plague decreases, work too will decrease as it will be possible to remove from the list a number of places declared infected or notified for the purposes of the passport rules. A note on this point will be submitted.

From

L. E. BUCKLEY, Esq., I.C.S.,

PLAGUE COMMISSIONER,

To

The Secretary to the Commissioner,

of Land Revenue,

MADRAS.

SIR,

With reference to your Ref. A.No.122, dated 24-4-99, I have the honour to say that I consider that the appointment of an attender to the Collector's Office is likely to be necessary. As regards the clerks, plague work should ^{now} be diminishing, and I would suggest that the Collector whose letters are dated the 6th & 8th of this month may be asked by wire if the men are still wanted. It is possible though plague is almost at an end, work has not yet shown any material diminution, for there are in the taluks concerned areas still certified as infected, and the passport system is in force. If the Collector says he still wants the clerks they may be sanctioned, and the Collector asked to dispense with them as soon as possible.

I have the honour to be,

Sir,

Your most obedient servant,

L. E. Buckley

Plague Commissioner.
