NOTE FOR THE Chief Secy, Fin Dept

Neare see para 2 of J.O.  
No 8197 d/18-7-98, regarding  
provision under office expenses &  
miscellaneous. The amount  
entered in Cols 3, 4, 5, include  
provision for telegraph & postage  
charges, for which there are no separate  
heads in the estimate form under  
18 H. ~~Actual~~ In considering the  
actuals for the first quarter, the  
amount spent by the Mysore Commr.

for postage - Rs 15.00  
" telegraph charges Rs 222  
" office expenses Rs 185

Should have been added to the sum  
of Rs 289 entered in Col 2 under  
18 H. The total is 854 Rs &  
compared with this, the amounts  
entered in Cols 3, 4 & 5 are not  
excessive.

G.O. No 819 Int dated 18th July 1899 is put up. The provision under Office expenses and Miscellaneous have been reduced in view of the past actuals (Rs 289 for the quarter ending 30th June 1899). The draft has been counterinitialed by the Secretary, Local Department & the provision has been approved of the authorities. An explanatory note should have been furnished explaining the increased provision under Office expenses and Miscellaneous.

In Reply, Asst. Secy.

All the estimates were reviewed on the basis of existing facts & unless there is a recurrence of plague it seems doubtful whether even the amounts passed in the last Qy. estimates will be required. In any case the experience of the second quarter will show whether further alterations are necessary when the estimates for the third Qy. are reviewed.

Note for Mr. C. Ramaswamy

Col. 2 against Hill Journey Allow.

The expenditure, <sup>actually</sup> incurred under this head during the past quarter is as follows—

As per enclosed list A 241.3.3

B 237.14.6

C 139.8.0  
618.9.9

As regards B there is no acquittance roll here. It is in the Madras Office. I have prepared the made up the figure from memory, which please check with the acquittance roll in Madras. Fig. A has been made up with reference to the acquittance rolls for Hill Journey. C is correct. The total of A, B & C, Rs 620, in round sum should I think be entered in Col. 2. A has actually been drawn on bills (just on a simple receipt) from the Treasury. B was first paid from Contingencies & a bill for its adjustment was passed by the Secy some time ago but I do not

know if the bill ~~has been~~  
 been was presented to the  
 H. J. and adjusted in the  
 treasury acct before the end  
 of June. C, I think, has  
 not yet been <sup>billed</sup> for &  
 adjusted. Mr. S. M. Saksa  
 Sahian will give you in-  
 formation about it. You  
 say that only the adjusted  
 amount should be shown  
 in Col. 2. Information  
 on the point not being fully  
 available here I cannot  
 enter the amt against  
 "H. J. allee" in the estimate.  
 Please kindly get the  
 necessary information  
 from Mr. Sahian & com-  
 plete the estimate.

2. Col. 3. Rs 240 (vide  
 D in annexed list) should  
 be entered in this column.

3. Col. 4 Rs 320 (vide  
 E in the annexed list) ✓  
 may be entered in this  
 column.

4. You say that adjusted  
 amounts only should be

Not yet billed for - (as stated by Mr. Sahian)  
 This amount will be included  
 in Col. 3 -

A.P. 1731  
 in order and each copy of all  
 receipts of funds in hand

work No. 139-8 is being <sup>unadjusted</sup>  
 travelling allowance paid to  
 clerks who returned to madras  
 from only in may 1902  
 Total Lt: 3 = 379-8-0

These are charges under Contingencies  
 in the Lt & m proper

shown in Col. 2. I ~~am~~  
 am not sure if you are  
 correct in saying so. You  
 have, however, shown  
 against "Office Expenses" an  
 amount <sup>apportioned</sup> which has not  
 yet been billed for &  
 adjusted. The amt so  
 included is Rs 120.4.0  
 (included in Rs 409) -  
 the cost of plague tele-

Probably they should. Information on the point is not available here. Bills of railway charges were not presented here. Probably they have been presented & paid in the Madras office. Band charges from Mettupalem to City were paid here. The bill was sent to M.O. Some days ago Band charges from here & Mettupalem have been this day paid. Bill sent to Madras (Rs 21). I think it will not be possible to apportion the total consequence charge between them properly & plague as all records were sent together. But the records returned to Madras may consist entirely of plague papers.

When returning the estimate please send a few forms for thereof as none are available here.
