Copy of letter from the Inspector-General of Police, Madras, No. 2564, dated 3rd July 1899: to the Secretary to Government, Local and Municipal Department:--

I have the honour to submit in duplicate the quarterly estimate for the second quarter of the year 1899-1900 for the cost of the men employed on plague duty in the Presidency.

2. Owing to the reduction of the plague establishment with reference to G. O. No. 878-P, Local and Municipal, dated 12th June/99 and in view of the diminution of plague in the Presidency I have put down the figures for the second and succeeding quarters at Rs 6000.

3. The figures given in the estimate includes the cost of the temporary police specially entertained for plague duty as well as those spared from the District strength in accordance with the Plague Commissioner's instructions conveyed in his letter R. C. No. 3460, dated 24th March 1899.

4. With reference to para 2 of G. O. No. 533, Financial, dated 20th April 1899, I beg to report that, out of Rs 13,466, the expenditure on account of plague during the first quarter of 1899-1900 the actual cost of the Police specially entertained for plague duty was only Rs ⁵⁷⁶¹~~5,760~~, and I have no doubt that this sum will be considerably reduced in each of the remaining quarters owing to the reduction in the number of plague establishments. There is therefore no necessity for any re-appropriation of funds. The sum now provided for -- Rs 24,000 -- will not be exceeded.
