In P. Co Proceedings No 353 of 22-10-98, it was ordered that if the system of sending intimations of arrivals &c to the D.t Medical & Sanitary Officer worked unsatisfactorily, Collectors might transfer this work to their own offices. Only the Collectors of Madura* & Ananta pur* have reported that they on representations from the D.t Medical & Sanitary Officers, they have relieved the latter of the Supervision of the working of the passport system & have transferred this work to their own offices. No report seems to have been received from the Collector of the Nilgiris or from the Medical Officers as regards the transfer of this work to the Coll.te Office. If the Colle. does not do this work, he should inform the officers concerned that intimations should be sent to the D.t H.O

NOTE FOR THE P. C.

A. If there are frequent complaints that the address is defective, the heading (new place of residence) has been suspended with 5 subheadings. If these can be omitted (which is not advisable), the form may be printed on a postcard instead thereof.

B ~~Under~~ It was decided by first sometime ago that where the same papers require to be printed or translated in more than one district, the work should be entrusted to the Govt. Press Madras & the Govt. Translators respectively. In this case the work is likely much & can be done locally if P.C wishes & the drafts altered accordingly
