EXPLANATORY REMARKS.

The total expenditure under 24, D. Medical, Provincial, as per Treasury accounts for April, May & June 1899 is Rs 10182-11-2 but as per this estimate statement is Rs 11721-0-0. The difference is due to the expenditure incurred in April 99 on account of Railway inspection staff and contingencies having been debited to local instead of to Provincial. Necessary adjustments will be made on this account in the current month.

Since the beginning of the current month there have been only 20 Sanitary Inspectors. Hence the decrease in the estimate for the current and ensuing quarters, under Sanitary inspectors and peons.

* Provision is made on account of Mr Stocking's (Civil Apothecary) additional pay for plague duty.
