Tents

Recording Pro. of the Bd: of Rev. agreeing with the Plague
Commissioner in considering that it is expedient to
allow Tahsil-dars the free use of tents supplied to Plague
officers & which are not now required for plague purposes.

(1899)

For orders.

No tents have hitherto been supplied to any Regt. ~~in the States~~ & it would be awkward precedent to make an exception in the case of this Regt, simply because he is an Eurasian.

I have the honour to state that
plague having practically subsided,
the tents supplied for the use of Doctor
Roberts, Gooty, are not in use at
present. Mr. Turner, the Tahsildar
of Dharmavaram, an Eurasian
officer, requires tents for his use
temporarily. The tents if pitched
and in use can be more easily
taken care of than otherwise.
The Tahsildar can very well
be trusted to take care of them till
they are wanted again.

2. I therefore recommend that
he may be allowed the use
of them free of cost.

Read letter from the Plague Commissioner, Madras, Ref
on C.No. 4089, dated 13th April 1899.

Resolution

The Board agrees with the Plague Commissioner in -
considering that it is inexpedient to allow the Tahsildar of Dhar-
mavaram the free use of the tents supplied for the use of Dr. Roberts
while on Plague duty in the district.

2. It is presumed that the Plague Commissioner will -
issue the necessary orders regarding the disposal of the tents or
for their safe custody if they are required to be kept against a --
recrudescence of plague next cold weather.
