[Despatch Abstract.]

Honorary Plague Officer

Recording letter from the Collector of Coimbatore to Mr. R. H. Morris appointing him as —— in the Kollegal Taluk

Station at Guntakal is as follows. It was first opened in February 1897 (vide para 4 of G.O. No. 219 A.M. d/15-2-97). In Oct 1897, Plague was reported to have reached Hubli & an inspection Station was established at Hospet for examining trains coming from that quarter (G.O. No 2393 d/1-11-97). In March 1898, elaborate preventive arrangements were considered necessary, the Dts of Bellary & Kurnool were placed under obsn., & observation circles & road inspection stations were organized. As a part of these arrangements, the inspection at Guntakal was transferred to Tungabhadra as being more efficient vide H.M.'s note at Flag G.

D

E

In August 1898, plague broke out almost simultaneously at Bangalore & Guntakal, and the inspection Station at the latter place was revived for the purpose of

(1) examining passengers ~~who~~ from the west who halted at Guntakal for some hours before proceeding by another train

(2) for examining passengers from Bangalore until the inspection Station at Hindupur was organized.

(3) all local passengers who started from Guntakal. (G.O. 889P/24-8-98.

W

It will be seen that ~~the examination~~ the examination only in the case of (2), involved detention of trains, & that this detention was to last until Hindupur Station began to work.

In January 1899, by which time plague had spread over the Gooty, Alur & Pattikonda taluks, a new inspection Station was opened at Tadpatri, and it was ordered that the inspection at Guntakal should be restricted to

(a) Examination of all trains from Hindupur & Maddikera

(b) examination of those passengers from the direction of Hospet & Tungabhadra who alighted at Guntakal

And it was expressly stated that the detention of the Madras Ry trains at Guntakal for the purpose of inspection would no longer be required (S.C.'s Rep 263/27-1-98.

H

Owing to decrease of plague, the inspection station at Tadpatri has been abolished (G.O. No 609? dt 26-4-99). Anantapur Dt has been wholly free from plague from the 2d May 1899, Kurnool from the 5 May & Bellary from the 16th May. Guntakal is only 4½ hours run from Hospet & 2 hours' run (by mail train) or 4 hours' run (by passenger train) from Tungabhadra. Up to date 3598 ~~number~~ passengers have been detained at Tungabhadra but not a single case of plague discovered and it seems quite unnecessary to examine the Madras Ry trains both at Guntakal & Tungabhadra. The inspection at Guntakal may be abolished; in fact it was ordered ~~to be~~ by the S.C. to be discontinued in January last.

B

As regards the S.M. Ry trains, they are examined at Hospet & Hindupur & it is doubtful whether they should be again examined at Guntakal. Plague both at Hubli & Bangalore is very little and

SANITARY COMMISSIONER

and there cannot now be much emigration of people from those places. In Dec ~~1899~~ 1898, the S.C. brought to notice that the public were put to no little inconvenience by the large number of inspections and the H.M. then remarked — "We ought to try and minimize the inconveniences as much as possible". Recently the H.M. first approved of the suggestion to close the Guntakal inspection station ~~at~~ but subsequently modified his opinion on the representation of the Secy

L R S

22/7/99.

It may be added that if the S.M. trains which are examined at Hindupur or Hospet are again inspected at Guntakal, the Madras Ry trains ~~from~~ to Raichur have to wait for them & thus ~~lose~~ often miss connection with the trains leaving Raichur for Bombay. The Madras Ry has complained about these delays

22/7/99

H. M.

Please see orders at Flag S. below. The position is the same or rather worse. (Plague is increasing in the Bezwada districts). as when that decision was arrived at, there seems no reason to alter it at present.
Had I been aware of the above decision I would not have made the reference to the Collector.

G.D.W.

Plague is increasing & both the Collr. & the Sanitary Comr. desire to retain Guntakal. The existing arrangement must be maintained for the present.

Note. Originally there was an inspection Station at Guntakal. In April ~~last~~ 1898, it was transferred to Tungabhadra. When plague broke out at Guntakal itself in August, it was ordered that outward trains should be inspected & subsequent orders

orders directed the inspection of inward trains also. Plague has now subsided & it is necessary to consider the position, so ~~think~~ as to see that no unnecessary work is done. Hence the call for the above information.

Adverting to your Memorandum, Ref. on C. No. 1674 P, dated 27th June 1899, I have the honour to report that the trains which are at present inspected under the Plague Regulations at Guntakal are—

i Up train from Bangalore.
ii Down train from Hubli.
iii Down train from Bombay

2. As the Plague has broken out again at Bangalore, and as it is still prevalent in Bombay side, I think that these inspections are necessary to guard against the infection being carried into this District again.

TO
THE SECRETARY TO GOVERNMENT,

SIR,

In G. O. no: 829 P mis: dated 1st June 1899, Sanction was accorded for the entertainment of 20 Coolies for disinfection purposes. The work has been going on slowly and some fresh villages where an outbreak has since occurred have to be disinfected. Captain Ffrench, Special Plague Officer, reports that an additional Staff of 10 Coolies is necessary and that their pay may be fixed at 8 Rs per mensem instead of 4 annas per diem as hitherto so that they may be brought on the regular Staff and that when they are employed outside Hosur a batta of 2 annas may be allowed to them. These men are now bound to sleep in the camp & not mingle with the villagers after work. As there has

has been considerable difficulty in getting them to agree to this and as at the proposed rates the coolies are reported to be working satisfactorily, I have the honour to recommend that the Special Plague Officer's proposals may be sanctioned

With reference to G.O. No. 1004 P.Mis., Local and Municipal, dated the 29th June 1899, I have the honor to state that the Medical Officers at Kondapalli and Tiruvannamalai were duly withdrawn from those stations and posted to other places where their services were required. Their names were not however omitted from the list against the two stations named above, as up to the 15th June the date on which the list was closed, the reports of their departure had not been received in this office.

2. As regards para 3 of the G.O. there is no objection to Retired Military Assistant Surgeon Bowie on plague duty at Tuticorin being replaced by a Temporary Civil Assistant Surgeon on Rs.100. Orders are requested as to whether the change may be carried out at once.

3. Mr. Page has applied to return to England forthwith and will be permitted to do so.

Orders by the Chief Commissioner, Ajmere-Merwara.

Precautions against the importation of Plague into Municipal Towns and Cantonments.

NOTIFICATION No. 616.

Dated Mount Abu, the 22nd June 1899.

In exercise of the powers conferred by Sub-section (1) of Section 2 of the Epidemic Diseases Act, 1897, and by the Notification of the Government of India in the Home Department No. 834, dated 6th March 1897, and in supersession of the Rules contained in Part I of Notification No. 245, dated the 18th March 1897, the Chief Commissioner of Ajmere-Merwara is pleased to issue the following Rules for preventing the importation of the bubonic plague into Municipal towns and Cantonments in Ajmere-Merwara:—

Date of taking effect.

1. These rules shall come into force at once.

Health Officer defined.

2. The words "Health Officer" in the following rules mean the Civil Surgeon of Ajmere, and any other Medical Officer duly appointed as Health Officer of a Municipality or Cantonment, under Notification issued by the Chief Commissioner, and shall include an Inspecting Medical Officer at a Railway Inspecting Station, and any other Medical or Subordinate Officer appointed as an Assistant Health Officer under these Rules. All the above officers are invested with powers to enforce the rules made by the Government of India and the Chief Commissioner, under the Epidemic Diseases Act, and to issue such orders in any particular case as may be necessary for the carrying out of those rules.

Appointment of Health Officers.

3. In every Municipality or Cantonment a Health Officer shall be appointed
