FROM

ag COLLECTOR OF THE

Coimbatore DISTRICT,

To

THE SECRETARY TO GOVERNMENT,

Local + Municipal DEPARTMENT,

Madras.

SIR,

The Deputy Collector Kollegal, wired to me on the 21st current that the Mysore District Plague Officer had telegraphed to him about finding dead rats in Narasipur and Mugur, two miles from this district frontier I circle and had suggested watching the yelandur side, plague having been suspected in Mugur; He also recommended that six special peons might be appointed for patrolling the frontier and for preventing the passage of suspected persons and the carrying of infection into Kollegal and other adjoining British villages. I sanctioned the employment of only two peons pending full report as to the necessity for six and have nominated Sanitary Inspector A Bai thiratha Iyer to be in plague charge of the Kollegal Division, under Rule 26 of the additional Infassal Regulations. I have the honor to request that the appointment of the two peons and the nomination of the Sanitary Inspector may be approved. It is since learnt that there were three
