With you kindly have
I have notified in Dist Saint George
Pazetti as an inspection station under
14 of the original regulations?
Plague is at Maddikeri, the first
station east of Puntakal. Passengers
are examined there before being
allowed to get into the train, but
they may try to evade observation
by going down the line to Tuggali.
Mahomed Raza Khan has organized
an informal examination of
passengers there already, and
I have approved of his proposal
to transfer the Civil Apothecary
from Tandrapad to Dhume, sending
in his place a Selected Hospital
Assistant. The inspection should
be formally legalized. It will
protect not only Kurnool, but
the Northern Circars. Collector is
preparing to put up a few sheds in
case of necessity.
