SIR,

I have the honor to state that out of the provision made in my budget for the Jalarpet Dispensation Station, that for 4 Hospital Assistants and 4 Dispensers only has been transferred in G.O No 520 Financial dated 17th instant to Provincial, the rest being treated as local. The entire charges including the staff at the Camps and the cost of their construction and maintenance are, I consider, required in the general interests of the Presidency and therefore for general control as defined in G.O. No 479 Financial dated

4th April 1899. For purely local purposes
the Camps and their Staff are not necessary
and such an ^{enormous} ~~enormous~~ outlay would
never have been dreamt of. The Salem
District does not benefit by the Inspection
Station and Camps which are an indispen-
-sable adjunct to any more than other
districts. The case is, however perhaps
different with regard to our Road works
and that Inspection Stations. I think
therefore and strongly urge that the
entire expenditure of the Jalapet
Inspection Station including the shed
should be met from Provincial Funds.
Pending your orders I have directed
that the bills should continue to be
paid from local Funds.

I have the honor to be
