THE RESIDENT IN MYSORE.

Notification.

No. 334 P., dated Bangalore, the 12th January 1899.

OWING to the large numbers of persons returning to the Civil and Military Station from places known to have been infected, the following directions should be observed by the District Medical, and Special Plague Officers.

- (1). The list of houses at present unoccupied should be completed as early as possible, and all such houses should be locked and sealed.
- (2). Persons desiring to return to houses not yet disinfected, and willing to clean and disinfect them, shall, unless such houses have been declared to be unfit for human habitation, be allowed to do so, under the supervision of the Special Plague Officer, who may supply them with disinfectants free of cost, and with lime on payment, at a rate to be fixed by the Chief Plague Officer.
- (3). All persons returning to Bangalore from infected areas shall, before being allowed to re-occupy any house, or to live in any house already occupied, be examined by the District Medical Officer or his medical subordinates authorised by him.
- (4). For ten days subsequent to the arrival of such persons, the District Medical Officer, or his medical subordinates, or the Public Vaccinators or Sub-Registrars, will visit the house in which they are residing daily and will make enquiries, by examination or otherwise, as to the health of the inmates. The vaccinators, vaccinatrices, and sub-registrars will be, for this purpose, under the orders of the District Medical Officer, in whose district they are working.
- (5). In making such examinations, or in entering houses, the instructions already issued as regards respecting the privacy of females who do not appear in public, and the prohibition regarding the examination of females, otherwise than by women, shall be strictly enforced.

"By Order,"

P. R. CADELL,
Assistant Resident.

THE RESIDENT IN MYSORE

Notification

No. 334 P., dated Bangalore, the 12th January 1899.

1. The list of houses at present occupied, should be completed as far as possible and all such houses should be marked and sealed. Owing to the large numbers of persons returning to the Civil and Military Station from places known to have been infected, the following directions should be observed by the District Medical and Special Plague Officers.

(2) Persons desiring to return to houses not yet disinfecting, and will be allowed to do so, under the supervision of the Special Plague Officer, who may supply them with disinfectants free of cost, and with time on payment at a rate to be fixed by the Chief Plague Officer.

(3) All persons returning to Bangalore from infected areas shall be allowed to re-occupy any house or to live in any house already occupied, be examined by the District Medical Officer or his medical subordinates authorized by him.

(4) For ten days subsequent to the arrival of such persons, the District Medical Officer or his medical subordinates or the Public Health Inspectors or Sub-Inspectors will visit the houses in which they are residing daily, and will make enquiries. The examinations or otherwise, as to the health of the inmates. The examinations, vaccinations, and sub-vaccinations will be, for this purpose, under the orders of the District Medical Officer, in whose district they are working.

(5) In making such examinations, or in entering houses, the instructions already issued as regards respecting the privacy of females who do not appear in public, and the prohibition regarding the examination of females otherwise than by women, shall be strictly enforced.

P. R. GADDELL
Resident
