PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper —

From the Inspector-General of Police, Madras, No. 2191, dated 11th June 1898:—

I have the honour to say that, at present, 20 head constables and 100 constables are being employed on special plague duty and so are not available for ordinary police work. We have not a single head constable too many and I therefore request that I may be allowed to entertain 20 head constables in the place of the men on plague duty. As regards constables, I think it will be sufficient if I am allowed to recruit temporary men up to the number of 100 in place of the men removed from the police duties.

2. The head constables employed on the Railways on plague duty ask for a local allowance as is given to the Railway Travelling Police, viz.—Rs. 10 for 1st and 2nd grades and Rs. 7 for 3rd and 4th grades. There are 9 head constables on the Railway travelling on plague duty and I recommend that these men be given remuneration at a uniform of Rs. 7 per mensem.

ORDER:—No. 1050, dated 7th July 1898.

The Inspector-General's proposals are approved, and the necessary Proposition Statement ^{should be submitted} to the Financial Department in due course.
