1. 17 Constables under the head "20 Police"
2. Hospital assistant and clerk employed to assist the Assistant Surgeon, Podanur, under the head "24D, Medical" ward
3. Male & female ward attendants, cook & female totti & attached to the Observation camp and plague Hospital, under the same head.

2. The President District Board, and the Chairman of Coimbatore Municipal Council have been requested to obtain the sanction of Government for the establishments under Sections II & III (Local & Municipal) respectively, in cases where it has not been applied for till now.

Acting Collector.

Financial department

Note

The seventeen constables shown in the plague establishment list of the Combarone district are also shown in the monthly list submitted by the Inspector-General of Police. They have been spared from the District strength. As no previous sanction appears to have been obtained for their being posted to plague duty, the Draft of Sanctioning them formally is forwarded to the Inspe. Department for C.I.

2. The counterminerals of the Inspe. Department are apparently required for

1. Hospital work & clerk.
2. Ward attendants & other menials.

As it has been decided that the establishments employed at Railway ^{Plague} Inspection Stations and at the Camps at those stations should be Provincial, these items referred to above ^{from a} ~~are~~ also Provincial ^{charge}. The Draft may be

Counterminitried. In the recent places ^{these establishments} ~~these~~ have been shown under Provincial.
