FOR ORDERS.

The Municipal Council Bellary request sanction for the grant of Carriage allowance of Rs. 10 p.m. to the Lady Hospital Assistant (pay Rs. 50) attached to the Sahaswathi Madalini Hospital for the period she was employed in inspecting female passengers arriving from infected parts.

It appears that the Hospital Assistant was employed from October 28 to 12th January 99 in inspecting female passengers at their residences, in addition to her ordinary duties in the hospital and that from 13th Jan to 10th March 99 she was exclusively employed in inspecting arrivals in the town and at the railway station - The Council sanctioned an allowance of 1/5 of her salary for the additional plague work done from October 28 to 12th Jan 99. They now recommend the grant of Carriage allowance

7.10:10 from for the whole period during
which she was employed either on exclusive
or additional plague duty.

The Col. and the Surgeon General
support the application but the reasons
are not set forth, and at any rate
the case does not seem one for exceptional
treatment. In Vellore, where the mules
had probably more to go about the town,
conveyance allowance was refused.
