LOCAL AND MUNICIPAL DEPARTMENT.

C. No. 38117/98

SUBJECT.

Rules for the working of the Standing Committee, Bellary Municipality.

FOR ORDERS.

H.M. The Chairman proposed this Standing Committee; but if the precedent is created, we must consider its working in a Municipality where the Chairman would be hampered by a factious majority.

This would appoint its Standing Committee who under proposed Rule IX might delegate its powers to two members.

These could
Call for accounts & explanations (Rule I.)
Check abstracts of Receipts & Disbursements (" II)
See to the appropriation of Budget Grants " III "
Report on purchase & sale of land " IV "
Report on the Chairman's Draft Budget " V "

I have a fear that some of these might lead to friction & delay, while others seem to trench on the entire responsibility & executive power of the Council, vested in the Chairman by S. 32.

However, H.M. has had experience of the internal working of a Municipal Council, & of Standing Committees - such as I cannot pretend to.

The objection taken in the office is also merited attention.

H.T. 13.1.99

order No. 123 dated 26/1/99
The appointment of a Committee with the extensive powers specified in the rules submitted with the Chairman's letter ^{was appended} seems to be ultra vires, as under clause (v) of Subsection (1) of Section 3 of the Act, as amended, the Municipal Council can appoint Committees only "for the superintendence and management of educational institutions, hospitals, dispensaries, Choultries or other institutions maintained by the Municipal Council." In such cases, the Council is itself competent to frame rules for the working of such Committees.

Sir,

I have the honor to state that until recently, there existed in this Municipality four ward Sub Committees, one for I & II wards, one for III & IV wards of Brucepet, one for V, VI, VII and VIII wards of Cowbazar and one for the IX ward-Cantonment, Fort

Fort and Civil Lines comprising of more than three Councillors, with one as Chairman for each of the Sub-Committees for the disposal of important business by them. In addition to this, there was also one Public works Sub-Committee to whom all questions relating to the Public works were being referred to and disposed of by them.

2. Owing to the existence of several Sub Committees, it was found rather inconvenient for the prompt disposal of business, and it was therefore suggested to the Council to appoint only one Standing Committee in supersession of the above Sub Committees, and the Council have accordingly appointed seven Councillors to form a Standing Committee and directed them to frame rules for their working.

3. The Rules were accordingly prepared by the Standing Committee and approved of by the Council with certain modifications at the meeting held on the 29th ultimo.

4. I therefore request that the Sanction of Government may be accorded to bring these Rules into force in this Municipality.

5. I beg to submit herewith copies of the Council's Resolutions sanctioning the appointment of a Standing Committee and approving the Draft Rules framed by them together with a copy of the draft rules.

I have the honor to be
