Forwarded to Government.

Certain local allowances are at present granted to Constables and Head Constables permanently stationed at the foot of the Coorg and Mysore hills in South Canara. The proposal is that the same allowances should be granted to men who have been temporarily added to the staff employed in these localities on account of plague work. There is no objection to the proposal being sanctioned by Government.

FURTHER PAPERS.

No.	Date.

Copy of letter from the Inspector-General of Police, to the Chief Secretary to Government, through the Plague Commissioner and the Accountant-General, dated 15th April 99, No 1529.

I have the honour to request that the Government will be pleased to sanction a local allowance to the Constables employed on plague duty in the South Canara district at the foot of the Boorg and Mysore hills. The permanent police employed there receive allowance at Rs. 2 in some Stations, and Rs 1-8/ in others for Constables and Rs 3 for Head Constables under G. O. No. 813 Mis. & D. dated 17th April 1884.

2. From 20th November 1898, 53 men were employed for different periods to guard and patrol several Stations in connection with the Subramania & other festivals and to guard frontier Stations. The amount of allowance recommended up to 31st March 1899 is Rs 128-10-10.

3. At present only 12 Constables are employed in guarding frontier Stations and allowance for them at Rs 1-8-0 each amounts to Rs 18 per mensem.

4. The Collector strongly recommends the grant of the allowance on account of the ~~unusually~~

unhealthiness of the climate and the dearth of provisions. The amount can be met from the allotment of Rs 24,000 in the current year's Police Budget for plague charges.
