FROM

Offg. Secretary to the Government of India,

TO

THE DIRECTOR GENERAL, INDIAN MEDICAL SERVICE.

Home Department.
Medical.

Calcutta, the 16th December 1898.

SIR,

I AM directed to acknowledge the receipt of your letter No. 6411, dated the 10th instant, suggesting that, in view of the continued demand for medical officers for plague and other duty, general provision should be accorded to the employment of retired Commissioned Medical Officers on a salary of Rs500 a month, in addition to their pensions, which will continue to be a military charge.

2. In reply I am to state that, subject to the approval of the Secretary of State, the Government of India are prepared to sanction the re-employment of Commissioned Medical Officers on the terms stated in your letter and on the following conditions:—

- (a) that the officer retired before the 1st April 1898;
- (b) that his re-employment must be either on plague duty, or in a post which cannot be filled in the ordinary way by reason of the officers who would in ordinary course be available for it being required for plague duty.

3. You are therefore authorized to submit to the Government of India proposals for the re-employment of retired Commissioned Medical Officers fulfilling the conditions stated in this letter. It is necessary that every such proposal be reported for sanction.

I have the honour to be,

SIR,

Your most obedient Servant,

A. H. L. FRASER,
