Letter ref to you Ref No 6 of 4-1-99
I have to say that I do not approve of the closing of the Road from Muzhapur to Pannur. It was opened to afford protection to the surrounding villages as well as to the road (to be retained). There is no objection to a second line of defence being created at the spot you now propose.

TO

THE

Head Assistant Collector
Perunkonda

SIR,

Enclosures.

In his letter 6122074 dated 31-12-98 the District Medical and Sanitary Officer Anantapur states that in view of the deserted condition of Hindupur town, he considered it unnecessary to have a Road Frontier Station there any longer.

He recommends the removal of the Road Frontier Station at Hindupur to Perunkonda as the former town has become infected. I approve of the recommendation and request that you will take early steps to open the Road Frontier Station on the main road about a mile and a half south of Perunkonda.

Yours etc
