FROM

CURRENT No. 2318 M

TO

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT, Stone House Hill,  
Madras.

SIR,

ENCLOSURES.

In Continuation of my letter No. 630 B.G., dated 26th Instant. I have the honour to report that I have had an interview with Mr. C. Akilandiah regarding the difference between the area belonging to the Tudor Hall Estate in the Marlinmud Catchment area as found by the District Surveyor and the area as stated by Mr. Akilandiah in his Correspondence with this office and with Government.

2. Mr. Akilandiah admits that he has always given the area as 185 acres and says he fully believed that it was this extent. He does not exactly dispute

dispute the accuracy of the  
Drake Survey measurements  
but says he is astonished to  
find that the area is less than  
that stated by him:

3. The difference is almost  
entirely in 2. Survey numbers viz  
C 147 & C 150. In C 147, only 5.03 acres  
are within the Catchment area  
while Mr. Skilandiah by mistake  
had put down the whole extent  
of the Survey n<sup>o</sup> viz 9.89 as so  
situated. In C 150 the Dr. Surveyor has  
found only 26.22 acres are in this  
Catchment, while Mr. Skilandiah  
relying upon certain measurements  
of his own, had given this area  
as 35 acres. I proposed to have  
the area in C 150 resurveyed by  
Drake Surveyor in the presence  
of Mr. Skilandiah before final  
acquisition & I will report  
the result & forward the plan  
recently received by me from the  
Secretary Sanitary Board.

I

I have the honour to be,

Yours

John Most Chesnut Court.
