Sir,

With reference to the remark made in clause 3, para. 4, of G.O. No. 1027 dated 20th July 1899, reviewing the administration report for 1898-99 of this Municipality, I have the honour to submit that during the year under report there was no appreciable progress made in the extension of the cess pool service as my special attention was directed towards improving the private scavenging system under which the number of houses served by the Municipal agency rose from 304 to 935 yielding a revenue of Rs 1,338 against Rs 590 of the previous year. The owners of houses with cess pools are generally

poor

poor people and in view of the ^{very} recent increase in the house tax, the fresh imposition of the water-tan and the payment by them of private scavenging fees, it has not been thought advisable to ~~impose~~ ^{impose} ~~at present~~ ^{at present} on the owners building ~~pucca~~ ^{pucca} cess-pools and making monthly payments for the cleaning of cess-pools. Some have however closed cess-pools altogether, or have constructed small drains leading into the main sewers. I may submit in conclusion that the necessary attention will be paid for the extension of this service during the current year and the progress made reported in the annual administration report for the year.

I have the honour to be

Sir

Your most obedient servant

Alidambala Ram

Chairman
