To

The Secretary to Government

Local and Municipal Department

Sir,

With reference to para 4(3) of G.O.No.948 M, dated 6th July 1899, I have the honor to report for the information of Government that the District Medical and Sanitary officer Chingleput states that the decrease in the number of patients admitted ^{in the municipal hospital} was chiefly due to the starting of anti plague inoculation in the Hospital for the public and to restricting the admission of patients suffering from chronic diseases who are not likely to be benefited by staying in the hospital.

I have the honor to be

Sir,

Your most obedient Servant

C. Sibthorpe

Surgeon-General

Surgeon-General with the Govt: of

Madras.
