THE CHAIRMAN,
LOCAL & MUNICIPAL DEPT.
MUNICIPAL COUNCIL,
Kurnool.

CURRENT NO.

MUNICIPAL COUNCILLORS' OFFICE,

Kurnool, 12th August 1899.

The Secretary to Government
Local and Municipal Department,
Fort Saint George

SIR,

With reference to Government
Memorandum No 779 dated 24th July 1899 on
the Kurnool Municipal report for 1898-99,
I have the honour to submit the explana-
tions called for therein.

2. Para I clause (10). In statement V A the income from school fees should be only Rs 398-9-6, the figures given therein as Rs 398-11-6 being a mistake in the addition of the figures. The correct figure is Rs 398-9-6 as given in statement I. The actual contin-
gent charges of the school during the year were only Rs 24. The difference of Rs 46-2-10, which were paid under advances for the repairs of the school building in 1897-98 were adjusted during the year

2200/m/99

under report and included in the accounts for the year.

Para I clause (18). - During the year under report a sum of about Rs 970 was spent on account of the market. Of this amount a sum of about Rs 360 was the balance left at the beginning of the year from the allotment of Rs 5,000 granted as a loan for the market in the previous year; a sum of Rs 250 was sanctioned in G.O. No 897 dated 10th May 1898 and a further sum of Rs 355 was sanctioned in G.O. No 1137 dated 27th June 1898. The total additional cost of the market, over and above the allotment of Rs 5,000 granted as a loan, was about Rs 620 and this was sanctioned in the two Government Orders quoted above. As the application for allotment of funds, which was sanctioned in G.O. No 1137 dated 27th June 1898, makes a reference to the former G.O. sanctioning the other allotment of Rs 250, no reference was made to

The result of the explanation is that the statement in para 41 of the report that an allotment of Rs 975 was sanctioned in G.O. No 1137 is incorrect.

the former G.O. in the report.

Para I clause (20). - Statement V A was received from the Educational authorities and submitted to Government after my report was despatched.

The difference of 7 pupils in the number presented for examination and the number successful was owing to Educational authorities having left out of consideration, 7 pupils, who appeared for, and passed in, optional subjects only.

Para I clause (21). - The actual pay of the midwife was only Rs 15. A sum of Rs 5 was given to her as remuneration for conducting extra cases, over the prescribed number at the rate of 8 annas for each case. This makes up to a total of Rs 20, shown in statement II B.

Para I clause (23). - The explanation given

Sanctioned already
Vise para 14
of the Chairman's
letter in
No 575M
17-3-97

given by the District Medical and Sanitary
officer, Kurnool, on the subject is
herewith submitted.

Para I clause (7). — Each warrant
issued for the collection of the amount
of tax due on account of buildings,
includes the amount due under water-
tax on the same building and
therefore no separate warrants
were issued for the water-tax alone.

It is submitted therefore that it
is not possible to submit a separate
statement regarding warrants
under water-tax.

Para I clauses (8) and (9). — A revised
Statement V A is submitted herewith.

I have the honour to be

Sir,

Your most obedient servant
