Reviewing the Vániyambádi — for 1899-1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From J. G. BURN, Esq., C.S., Chairman, Municipal Council, Vániyambádi, to the Secretary to Government, Local and Municipal Department (through the Collector of Salem), dated 16th December 1898, No. 732.

I have the honour to submit, for the sanction of Government, the revised estimate for 1898–99 and the budget estimate for 1899–1900 of the Vániyambádi Municipality with the following remarks.

REVISED ESTIMATE FOR 1898–99.

2. The principal variations between the sanctioned and the revised estimates of the current year under receipts are explained in column 7 of the revised estimate and those under charges are noted below.

3. *Charges—Grant 1*, (1) *New Works—(b) Buildings.*—The construction of a substantial in-patient ward, referred to in paragraph 3 of the last year's budget covering letter embodied in G.O., No. 195 M., dated 25th January 1898, was not put in hand in the previous year as proposed, as the correspondence between the Board and the Council about the design and estimate of the building did not come to a close until recently. The work has now been given on contract and a sum of Rs. 2,000 is provided for this purpose for the current year's work as sanctioned in G.O., Mis. No. 1977 M., dated 23rd November 1898.

4. *Grant 3*, (1) *Hospitals and Dispensaries.*—The temporary in-patient ward building having fallen into disrepair was demolished during the year and hence no in-patients were treated. The services of the cook employed in the hospital on Rs. 6 per mensem were dispensed with, as unnecessary and a saving of Rs. 70 has then been effected under this head. Sanction may be accorded for the temporary abolition of this post.

5. (*b*) *Medicines and Supplies*—(*c*) *Diet of patients and* (*d*) *Sundries and Contingencies.*—The attendance of out-patients decreased considerably owing to plague rumours. This accounts for the decrease under the items (*b*) and (*d*), while the reasons given in paragraph 4 account for the decrease under item (*c*). All other minor variations are explained in column 7 of the revised estimate.

6. The total receipts including the opening balance (Rs. 5,490) are estimated at Rs. 25,450 against the budget estimate of Rs. 23,490. The balance at the close of the year is estimated at Rs. 2,460 as against the budget figure of Rs. 1,680.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

7. (2) *Municipal Rates and Taxes*—(*a*) *Tax on Arts.*—The demand under this head is estimated at Rs. 800 and making allowance for a sum of Rs. 50 that may have to be remitted by the Council on appeal the receipts are estimated at Rs. 750.

8. (*b*) *Tax on Buildings.*—The current year's demand under this head is Rupees 9,294. The Council having at the meeting held on the 7th December 1898 raised the tax on buildings from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent., the maximum rates, the next year's demand is estimated at Rs. 10,350 and the receipts at Rs. 10,250 making allowance for a sum of Rs. 100 that may have to be remitted.

9. (*c*) *Tax on Lands.*—With reference to paragraph 3 of G.O., No. 1241 M., dated 4th July 1898, a sub-committee has been appointed to prepare a complete register showing the actual extent of lands used for agricultural purposes, pattahwar, in order to levy the tax on the rent value. A separate report will be submitted later on about the percentage at which the tax will be levied. The receipts, however, are estimated approximately at Rs. 500.

10. (*e*) *Tax on Vehicles*—(*f*) *Tax on animals and* (*g*) *Tax on Carts.*—The Council having at the meeting held on the 7th December 1898 raised the tax under these heads from three-fourths to the maximum rates, the next year's receipts are estimated at Rs. 1,550 against the current year's revised estimate of Rs. 1,160.

11. (*h*) *Tolls.*—Owing to the unfavourable character of the season, there was no competition amongst the bidders at the time of sale and the lease fetched Rs. 3,450 against Rs. 4,000 anticipated in the budget. Next year's receipts are estimated at Rs. 3,750.

12. (3) *Realizations under Special Acts*—(*b*) *Ferry Rents.*—The Council having resolved to apply for the sanction of Government to bring into force in this town the provisions of Act II of 1890 about which a separate report is made, credit is taken for a receipt of Rs. 10. The receipts under this head are not likely to be more than this sum as the floods in the river last only for a few days.

13. (*c*) *Fees under Act II of* 1888.—The revised estimate figure is adopted.

14. (4) *Revenue derived from Municipal property and powers apart from taxation* (*a*) (iii), (*b*) (ii) *and* (iii), (*c*), (*d*) (i), (*e*) (i) *and* (ii), *and* (*f*) (i).—As there is no reason to expect any change under these items, the figures in the revised estimate have been adopted.

15. (*f*) (ii) *Income from Slaughter-house.*—The lease of this farm for the current year fetched only Rs. 1,410 against the budget figure of Rs. 1,500 owing to want of competition at the time of sale. The next year's receipts are estimated at Rs. 1,450.

16. (*g*) *Other fees*—(iii) *License fees.*—Many tanneries in the town having been closed by the merchants, owing probably to the fall in the skin trade, the receipts are estimated at Rs. 500 against the current year's budget estimate of Rs. 650.

17. (*h*) *Fines under the Municipal and other Acts.*—The current year's budget figure is repeated.

18. (5) *Grants and Contributions—(b) from Local Boards*—(ii) *Medical.*—The construction of a substantial in-patient ward has now been put in hand and the amount of the estimate for the work is Rs. 6,000. Including the amount of the other usual expenditure of the hospital, the contribution payable by the Tiruppattúr Taluk Board towards the upkeep of the Municipal hospital, *i.e.*, one-fourth of the net cost, is estimated at Rs. 2,250.

19. (*c*) *Other Grants and Contributions*—(i) *Education.*—The services of the gymnastic instructor employed by the Municipal Council are utilized also by the Manager of the London Mission Lower Secondary school on payment of a monthly contribution of Rs. 5 to the Council; hence the credit of Rs. 60 under this head.

20. (6) *Miscellaneous—(a)* (1) *Private Scavenging.*—Prompt steps are being taken to increase the number of houses served by the private scavenging system and the receipts are estimated at Rs. 1,500.

21. The total receipts are expected to amount to Rs. 24,010 as against the revised estimate of Rs. 19,960 and the current year's budget estimate of Rs. 21,820. The increase as compared with the revised estimate of the current year is chiefly due to the increased contribution expected from the Taluk Board under Grant 3, and to the raising of the taxes on buildings, vehicles and animals to the maximum rates as explained above. The estimated total receipts including the opening balance of Rs. 2,460 for the year 1899–1900 thus amount to Rs. 26,470.

Expenditure.

22. *Grant 1, Public Works*—(1) *New Works—(a) Communications.*—For the construction of a culvert mentioned in statement II-A, a sum of Rs. 100 is provided.

23. (*b*) *Buildings* —The total amount of the estimates for the in-patient ward and cook shed according to the designs approved by the Sanitary Board is Rs. 6,500. The sum of Rs. 2,000 already sanctioned by Government in its order, Mis. No. 1977 M., dated 23rd November 1898, for the ward will be spent within the close of the current year and provision is made for the remaining amount, viz, Rs. 4,500. It is proposed to purchase a dozen corrugated iron dust-bins in the ensuing year and a sum of Rs. 60 is therefore provided for this purpose.

24. (2) *Repairs*—(*a*) *Communications.*—A sum of Rs. 1,200 only is provided under this head. The reduction in the allotment is due to provision having to be made for the heavy plague expenditure and for the construction of the in-patient ward. Should funds permit, the provision will be increased as circumstances require. The roads, streets, &c., proposed to be repaired in the ensuing year are detailed in the statement II-A.

25. (*d*) *Water-supply*—(*i*) *Repairs to Works Machinery, &c., Rs.* 30.—This sum is intended for the repair of platforms, parapet walls, &c., of the public drinking-water wells.

The total charges under Grant 1 amount to Rs. 6,570 against the current year's revised estimate of Rs. 5,170.

26. *Grant 2, Education*—(*ii*) *On Salary-result System*—(*a*) *Fixed Payments.*—A sum of Rs. 1,420 is provided under this head against the revised estimate of Rs. 1,230, the increase being due to the fact that as recommended by the educational authorities it is proposed to appoint an assistant teacher on Rs. 7 per mensem for the girls' school. The Council has also resolved to appoint an assistant master on Rs. 6 per mensem to the Muhammadan primary school at Kaderpet.

27. (*c*) *Contingencies.*—As recommended by the educational authorities, a sum of Rs. 350 is provided under this head.

28. (3) *Salary Grants and* (5) *Building and Furniture Grant.*—The provision of Rs. 400 under this head represents the usual grant made towards the pay of the qualified teachers employed in the London Mission Lower Secondary school and towards the house-rent of that school.

The total expenditure under Grant 2 amounts to Rs. 2,900 as against the current year's revised estimate of Rs. 2,800 and this is 16·4 per cent. of the estimated income from taxation, markets and rents.

29. *Grant 3, Sanitation and Medical Service*—(*i*) *Hospitals and Dispensaries*—(*a*) *Establishment and* (*b*) *Medicines and Supplies.*—As recommended by the District Medical and Sanitary Officer, the last year's budget figure is repeated for establishment charges and the particulars of establishment are detailed in statement II-B. The current year's revised estimate figure, viz., Rs. 550, is considered sufficient for medicines and supplies next year, and therefore the same figure has been adopted.

30. (*c*) *Diet of patients.*—Though the District Medical officer recommended a provision of Rs. 360 under this head as in last year, a sum of Rs. 150 only is provided as the new ward is not likely to be ready for the accommodation of in-patients till the middle of the year.

31. (*d*) *Sundries and Contingencies.*—A sum of Rs. 500 is considered sufficient under this head and provision is made accordingly.

32. (2) (*a*) *Contribution to Provincial Funds.*—A sum of Rs. 200 is provided with reference to the actual amount paid last year.

33. (4) *Registration of Births and Deaths*—(*a*) *Establishment.*—The Council having resolved to reduce the pay of the registrar of births and deaths from Rs. 12 to 10 per mensem, there is a decrease in the provision made as compared with the revised estimate.

34. (5) *Conservancy, Road-cleaning and Road-watering*—(*a*) (*i*) *Establishment.*—The provision under this head is Rs. 3,680 as against the current year's allotment of Rs. 4,050 and the decrease is accounted for as follows. The supervising staff at present consists of one certificated sanitary inspector on Rs. 25 + 10, one sub-inspector on Rs. 15 and five sanitary maistries. The Council is of opinion that the supervising staff is unnecessarily large and has accordingly, at the meeting held on

the 7th December 1898, resolved to abolish the post of sub-inspector and to dispense with the services of one sanitary maistry. As a matter of fact the sub-inspector has for sometime past been chiefly employed in looking after the lighting arrangements. The number of sanitary maistries will thus be four—one on Rs. 8 and three on Rs. 7 per mensem. The number of scavengers provided is 17 as against 18 shown in the current year's budget statement and this is due to the fact that the proposed construction of an additional latrine in Amburpet has been put off for want of funds. One of the male sweepers is at present solely employed in watching and cleaning the municipal slaughter-house and his pay (Rs. 4 per mensem) has therefore been transferred to Grant 4 (ii) (*a*). This accounts for the decrease in the number of male sweepers which, as shown in Statement II-B, is 15 as against 16 in the current year.

35. (ii) *Other Charges, such as Purchase or Hire of Carts, &c.*—A sum of Rs. 150 is provided under this head for replacing old night-soil carts when out of order.

36. (*b*) *Private Scavenging*—(1) *Establishment.*—The current year's budget figure is repeated.

37. (*c*) *Epidemic Charges.*—According to the statement already submitted to the Collector of Salem showing the charges to be incurred on account of plague for 1899–1900, a sum of Rs. 2,750 is provided under this head.

The total charges under Grant 3 thus amount to Rs. 10,850 as against the revised estimate of Rs. 11,010 and the budget grant of Rs. 9,860 for the year 1898–99.

38. *Grant 4, Lighting and Miscellaneous Municipal Purposes*—(*a*) *Establishment.*—It is proposed to put up about 13 additional lights during the ensuing year and this will bring the total number of lights in the town up to 210. There are six lamp-lighters, each having 35 lamps in his charge, and to secure efficient supervision over their work, the Council has resolved to appoint a lighting superintendent on Rs. 12. This accounts for the increase under this head.

39. (*b*) *Contingencies.*—The proposal to put up additional lights, as explained in the above paragraph, accounts for the increase under this head.

40. (ii) *Slaughter-houses*—(*a*) *Establishment, Rs.* 50.—This represents the pay of the sweeper deputed to watch and clean the municipal slaughter-house building as explained in paragraph 34 *supra.*

41. (9) *Other Charges*—(iv) *Compensation for Lands.*—No funds have been provided as no acquisition is contemplated in next year.

The total expenditure under Grant 4 amounts to Rs. 2,160 against the revised estimate of Rs. 1,930.

42 *Grant 5*, (*a*) *General Establishment*—(1) *Office Establishment.*—The pay of the clerk who does the duty of shroff being small, the Council has resolved to raise it from Rs. 10 to Rs. 12 considering the responsibility thrown on him. The work in the office is heavy and the appointment of an additional clerk is very desirable. As funds do not permit of this being done, it has been resolved by the Council to abolish the post of attender on Rs. 8 and to make provision instead for the entertainment of an additional clerk on Rs. 10 per mensem; hence the increase in the allotment as compared with the current year's budget figure.

43. (ii) *Inspection.*—As resolved by the Council, a sum of Rs. 240 is provided under this head on account of carriage allowance for the Vice-Chairman. I, as Divisional-officer, have my head-quarters at Tiruppattúr, and as I can only make a few days stay in this town in each month, the Vice-Chairman (who is the local Sub-Registrar) has to attend to the general supervision of the municipal work, and most of the Chairman's powers under the Act have been delegated to him. In order that the supervision by him may be real and effective, the Council thinks that he should be provided with a horse or conveyance and that an allowance should be made him to meet the cost of its upkeep. With this in view, the Council, at the meeting held on the 7th December 1898, resolved to grant him a carriage allowance of Rs. 20 per mensem. The Vice-Chairman does not at present maintain any conveyance, nor is he expected to maintain one as Sub-Registrar.

Revised Estimate for 1898–99.

2. The current receipts and charges are now estimated at Rs. 19,960 and Rs. 22,990, respectively, against Rs. 21,820 and Rs. 21,810 anticipated in the sanctioned budget. A decrease in the receipts, which occurs chiefly under tolls, fines, contributions from Local Boards, and private scavenging fees, is partly counterbalanced by an increase under hospital receipts, while the increase in the charges appears under Grants 1 and 3. The abolition of the post of hospital cook, proposed in paragraph 4 of the Chairman's letter, is approved. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the Government considers that it will be now sufficient to reserve a sum of Rs. 1,240 for expenditure on plague preventive measures in the current year. The provision made for epidemic charges will accordingly be reduced by Rs. 1,900. The balance to be carried forward to the ensuing year's budget will then be Rs. 4,360.

Budget Estimate for 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 24,010 against Rs. 19,960 in the revised estimate, the increase being chiefly under the taxes on buildings and lands, tolls, fines, and contributions from Local Boards. The proposals of the Municipal Council to raise the rates of the tax on buildings from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent. of the annual rental, and of the taxes on vehicles, animals and carts from three-fourths to the maximum, are sanctioned. The report regarding the tax on lands, promised in paragraph 9 of the Chairman's letter, will be awaited.

4. *Charges.*—(1) The probable charges are entered as Rs. 24,770 against the revised estimate of Rs. 21,090, the increase being mainly under Grants 1 and 3.

(2) *Grant 1.*—The allotment for the maintenance of roads will be raised by Rs. 200 so as to represent 50 per cent. of the net Municipal revenue from tolls.

(3) *Grant 2.*—The entertainment of the two assistant teachers, proposed in paragraph 26, is sanctioned.

(4) *Grant 3.*—The remarks of the Sanitary Commissioner on the allotments for vaccination, registration of vital statistics and sanitation are awaited.

(5) *Grants 4 and 5.*—The entertainment of a lighting superintendent on Rs. 12 and the alterations in the Municipal office and collection establishments, proposed in paragraphs 38, 42 and 44 of the Chairman's letter, are sanctioned. But under clause (1) of section 16 of the Act the grant of a carriage allowance of Rs. 20 per mensem to the Vice-Chairman, proposed in paragraph 43, cannot be approved. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the Central office establishments will be reduced from Rs. 210 to Rs. 181 or Rs. 180 in round figures.

5. The budget, as revised by Government, closes with a balance of Rs. 3,670 or 15·3 per cent. of the estimated receipts. Proposals should be submitted in the course of the year for utilizing a portion of this large balance for the benefit of the rate-payers.

Budget Estimate for 1899–1900.

The increase as compared with the revised estimate of the current year is chiefly due to the increased contribution expected from the Taluk Board under Grant 3, and to the raising of the taxes on buildings, vehicles and animals to the maximum rates as explained above. The estimated total receipts including the opening balance of Rs. 2,460 for the year 1899–1900 thus amount to Rs. 26,470.

23. (*b*) *Buildings.*—The total amount of the estimates for the in-patient ward and cook shed according to the designs approved by the Sanitary Board is Rs. 6,500. Should funds permit, the provision will be increased as circumstances require. The roads, streets, &c, proposed to be repaired in the ensuing year are detailed in the statement II-A.

25. (*d*) *Water-supply*—(*i*) *Repairs to Works Machinery, &c., Rs.* 30.—This sum is intended for the repair of platforms, parapet walls, &c., of the public drinking-water wells.

The total charges under Grant 1 amount to Rs. 6,570 against the current year's revised estimate of Rs. 5,170.

26. *Grant 2, Education*—(*ii*) *On Salary-result System*—(*a*) *Fixed Payments.*—A sum of Rs. 1,420 is provided under this head against the revised estimate of Rs. 1,230, the increase being due to the fact that as recommended by the educational authorities it is proposed to appoint an assistant teacher on Rs. 7 per mensem for the girls' school. The Council has also resolved to appoint an assistant master on Rs. 6 per mensem to the Muhammadan primary school at Kaderpet.

27. (*c*) *Contingencies.*—As recommended by the educational authorities, a sum of Rs. 350 is provided under this head.

28. (3) *Salary Grants and* (5) *Building and Furniture Grant.*—The provision of Rs. 400 under this head represents the usual grant made towards the pay of the qualified teachers employed in the London Mission Lower Secondary school and towards the house-rent of that school.

The total expenditure under Grant 2 amounts to Rs. 2,900 as against the current year's revised estimate of Rs. 2,800 and this is 16·4 per cent. of the estimated income from taxation, markets and rents.

29. *Grant 3, Sanitation and Medical Service*—(*i*) *Hospitals and Dispensaries*—(*a*) *Establishment and* (*b*) *Medicines and Supplies.*—As recommended by the District Medical and Sanitary Officer, the last year's budget figure is repeated for establishment charges and the particulars of establishment are detailed in statement II-B. The current year's revised estimate figure, viz., Rs. 550, is considered sufficient for medicines and supplies next year, and therefore the same figure has been adopted.

30. (*c*) *Diet of patients.*—Though the District Medical officer recommended a provision of Rs. 360 under this head as in last year, a sum of Rs. 150 only is provided as the new ward is not likely to be ready for the accommodation of in-patients till the middle of the year.

31. (*d*) *Sundries and Contingencies.*—A sum of Rs. 500 is considered sufficient under this head and provision is made accordingly.

32. (2) (*a*) *Contribution to Provincial Funds.*—A sum of Rs. 200 is provided with reference to the actual amount paid last year.

33. (4) *Registration of Births and Deaths*—(*a*) *Establishment.*—The Council having resolved to reduce the pay of the registrar of births and deaths from Rs. 12 to 10 per mensem, there is a decrease in the provision made as compared with the revised estimate.

34. (5) *Conservancy, Road-cleaning and Road-watering*—(*a*) (*i*) *Establishment.*—The provision under this head is Rs. 3,680 as against the current year's allotment of Rs. 4,050 and the decrease is accounted for as follows. The supervising staff at present consists of one certificated sanitary inspector on Rs. 25 + 10, one sub-inspector on Rs. 15 and five sanitary maistries. The Council is of opinion that the supervising staff is unnecessarily large and has accordingly, at the meeting held on

the 7th December 1898, resolved to abolish the post of sub-inspector and to dispense with the services of one sanitary maistry. As a matter of fact the sub-inspector has for sometime past been chiefly employed in looking after the lighting arrangements. The number of sanitary maistries will thus be four—one on Rs. 8 and three on Rs. 7 per mensem. The number of scavengers provided is 17 as against 18 shown in the current year's budget statement and this is due to the fact that the proposed construction of an additional latrine in Amburpet has been put off for want of funds. One of the male sweepers is at present solely employed in watching and cleaning the municipal slaughter-house and his pay (Rs 4 per mensem) has therefore been transferred to Grant 4 (ii) (*a*). This accounts for the decrease in the number of male sweepers which, as shown in Statement II-B, is 15 as against 16 in the current year.

35. (ii) *Other Charges, such as Purchase or Hire of Carts, &c.*—A sum of Rs. 150 is provided under this head for replacing old night-soil carts when out of order.

36. (*b*) *Private Scavenging*—(1) *Establishment.*—The current year's budget figure is repeated.

37. (*c*) *Epidemic Charges.*—According to the statement already submitted to the Collector of Salem showing the charges to be incurred on account of plague for 1899–1900, a sum of Rs. 2,750 is provided under this head.

The total charges under Grant 3 thus amount to Rs. 10,850 as against the revised estimate of Rs. 11,010 and the budget grant of Rs. 9,860 for the year 1898–99.

38. *Grant 4, Lighting and Miscellaneous Municipal Purposes*—(*a*) *Establishment.*—It is proposed to put up about 13 additional lights during the ensuing year and this will bring the total number of lights in the town up to 210. There are six lamplighters, each having 35 lamps in his charge, and to secure efficient supervision over their work, the Council has resolved to appoint a lighting superintendent on Rs. 12. This accounts for the increase under this head.

39. (*b*) *Contingencies.*—The proposal to put up additional lights, as explained in the above paragraph, accounts for the increase under this head.

40. (ii) *Slaughter-houses*—(*a*) *Establishment, Rs.* 50.—This represents the pay of the sweeper deputed to watch and clean the municipal slaughter-house building as explained in paragraph 34 *supra.*

41. (9) *Other Charges*—(iv) *Compensation for Lands.*—No funds have been provided as no acquisition is contemplated in next year.

The total expenditure under Grant 4 amounts to Rs. 2,160 against the revised estimate of Rs. 1,930.

42 *Grant 5,* (*a*) *General Establishment*—(1) *Office Establishment.*—The pay of the clerk who does the duty of shroff being small, the Council has resolved to raise it from Rs. 10 to Rs. 12 considering the responsibility thrown on him. The work in the office is heavy and the appointment of an additional clerk is very desirable. As funds do not permit of this being done, it has been resolved by the Council to abolish the post of attender on Rs. 8 and to make provision instead for the entertainment of an additional clerk on Rs. 10 per mensem; hence the increase in the allotment as compared with the current year's budget figure.

43. (ii) *Inspection.*—As resolved by the Council, a sum of Rs. 240 is provided under this head on account of carriage allowance for the Vice-Chairman. I, as Divisional-officer, have my head-quarters at Tiruppattúr, and as I can only make a few days stay in this town in each month, the Vice-Chairman (who is the local Sub-Registrar) has to attend to the general supervision of the municipal work, and most of the Chairman's powers under the Act have been delegated to him. In order that the supervision by him may be real and effective, the Council thinks that he should be provided with a horse or conveyance and that an allowance should be made him to meet the cost of its upkeep. With this in view, the Council, at the meeting held on the 7th December 1898, resolved to grant him a carriage allowance of Rs. 20 per mensem. The Vice-Chairman does not at present maintain any conveyance, nor is he expected to maintain one as Sub-Registrar.

44. (*b*) *Collections of Municipal Taxes*—(1) *Establishment, Rs.* 260.—The decrease as compared with the current year's budget provision of Rs. 340 is explained below. Each of the two bill-collectors has at present two peons to assist him in serving processes; the Council is of opinion that the lighting staff may be employed at this work on their off-days and that the peons are therefore unnecessary. Their services have consequently been dispensed with.

The total expenditure under Grant 5 amounts to Rs. 2,290 as against the current year's revised estimate of Rs. 2,070.

45. The budget grants under all other heads closely follow the revised estimate and the variations are too trifling to call for any remarks.

46. The total expenditure under all grants amounts to Rs. 24,770. Deducting this from the estimated total receipts, viz., Rs. 26,470, the closing balance is estimated at Rs. 1,700, which is 6·42 per cent. of the estimated total receipts.

The percentage of expenditure under each grant, as compared with the total receipts of the year, is detailed below:—

	Amount.	Percentage.
	Rs.	
Grant 1	6,570	24·82
„ 2	2,900	10·96
„ 3	10,850	40·99
„ 4	2,160	8·16
„ 5	2,290	8·65
Closing balance	1,700	6·42
Total ..	26,470	100

2. The provision made for the construction of an in-patient ward and a cook-shed according to the designs approved of by the Sanitary Board is very desirable.

Revised Estimate for 1898–99.

2. The current receipts and charges are now estimated at Rs. 19,960 and Rs. 22,990, respectively, against Rs. 21,820 and Rs. 21,810 anticipated in the sanctioned budget. A decrease in the receipts, which occurs chiefly under Tolls, Fines, Contributions from Local Boards, and Private Scavenging Fees, is partly counterbalanced by an increase under Hospital Receipts, while the increase in the charges appears under Grants 1 and 3. The abolition of the post of hospital cook, proposed in paragraph 4 of the Chairman's letter, is approved. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the Government considers that it will be now sufficient to reserve a sum of Rs. 1,240 for expenditure on plague preventive measures in the current year. The provision made for epidemic charges will accordingly be reduced by Rs. 1,900. The balance to be carried forward to the ensuing year's budget will then be Rs. 4,360.

Budget Estimate for 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 24,010 against Rs. 19,960 in the revised estimate, the increase being chiefly under the Taxes on buildings and lands, Tolls, Fines, and Contributions from Local Boards. The proposals of the Municipal Council to raise the rates of the tax on buildings from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent. of the annual rental, and of the taxes on vehicles, animals and carts from three-fourths to the maximum, are sanctioned. The report regarding the tax on lands, promised in paragraph 9 of the Chairman's letter, will be awaited.

4. *Charges.*—(1) The probable charges are entered as Rs. 24,770 against the revised estimate of Rs. 21,090, the increase being mainly under Grants 1 and 3.

(2) *Grant 1.*—The allotment for the maintenance of roads will be raised by Rs. 200 so as to represent 50 per cent. of the net Municipal revenue from tolls.

(3) *Grant 2.*—The entertainment of the two assistant teachers, proposed in paragraph 26, is sanctioned.

(4) *Grant 3.*—The remarks of the Sanitary Commissioner on the allotment for Vaccination, Registration of Vital Statistics and Sanitation are awaited.

(5) *Grants 4 and 5.*—The entertainment of a lighting superintendent on Rs. 12 and the alterations in the Municipal office and collection establishments, proposed in paragraphs 38, 42 and 44 of the Chairman's letter, are sanctioned. But under clause (1) of section 16 of the Act the grant of a carriage allowance of Rs. 20 per mensem to the Vice-Chairman, proposed in paragraph 43, cannot be approved. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the Central office establishments will be reduced from Rs. 210 to Rs. 181 or Rs. 180 in round figures.

5. The budget, as revised by Government, closes with a balance of Rs. 3,670 or 15·3 per cent. of the estimated receipts. Proposals should be submitted in the course of the year for utilizing a portion of this large balance for the benefit of the rate-payers.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper :—

From J. G. BURN, Esq., C.S., Chairman, Municipal Council, Vániyambádi, to the Secretary to Government, Local and Municipal Department (through the Collector of Salem), dated 16th December 1898, No. 732.

I have the honour to submit, for the sanction of Government, the revised estimate for 1898–99 and the budget estimate for 1899–1900 of the Vániyambádi Municipality with the following remarks.

Revised Estimate for 1898–99.

2. The principal variations between the sanctioned and the revised estimates of the current year under receipts are explained in column 7 of the revised estimate and those under charges are noted below.

3. *Charges—Grant 1*, (1) *New Works—(b) Buildings.*—The construction of a substantial in-patient ward, referred to in paragraph 3 of the last year's budget covering letter embodied in G.O., No. 195 M., dated 25th January 1898, was not put in hand in the previous year as proposed, as the correspondence between the Sanitary Board and the Council about the design and estimate of the building did not come to a close until recently. The work has now been given on contract and a sum of Rs. 2,000 is provided for this purpose for the current year's work as sanctioned in G.O., Mis. No. 1977 M., dated 23rd November 1898.

4. *Grant 3*, (1) *Hospitals and Dispensaries.*—The temporary in-patient ward building having fallen into disrepair was demolished during the year and hence no in-patients were treated. The services of the cook employed in the hospital on Rs. 6 per mensem were dispensed with, as unnecessary and a saving of Rs. 70 has then been effected under this head. Sanction may be accorded for the temporary abolition of this post.

5. (*b*) *Medicines and Supplies—(c) Diet of patients and (d) Sundries and Contingencies.*—The attendance of out-patients decreased considerably owing to plague rumours. This accounts for the decrease under the items (*b*) and (*d*), while the reasons given in paragraph 4 account for the decrease under item (*c*). All other minor variations are explained in column 7 of the revised estimate.

6. The total receipts including the opening balance (Rs. 5,490) are estimated at Rs. 25,450 against the budget estimate of Rs. 23,490. The balance at the close of the year is estimated at Rs. 2,460 as against the budget figure of Rs. 1,680.

Budget Estimate for 1899–1900.

Receipts.

7. (2) *Municipal Rates and Taxes—(a) Tax on Arts.*—The demand under this head is estimated at Rs. 800 and making allowance for a sum of Rs. 50 that may have to be remitted by the Council on appeal the receipts are estimated at Rs. 750.

8. (*b*) *Tax on Buildings.*—The current year's demand under this head is Rupees 9,294. The Council having at the meeting held on the 7th December 1898 raised the tax on buildings from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent., the maximum rates, the next year's demand is estimated at Rs. 10,350 and the receipts at Rs. 10,250 making allowance for a sum of Rs. 100 that may have to be remitted.

9. (*c*) *Tax on Lands.*—With reference to paragraph 3 of G.O., No. 1241 M., dated 4th July 1898, a sub-committee has been appointed to prepare a complete register showing the actual extent of lands used for agricultural purposes, pattahwar, in order to levy the tax on the rent value. A separate report will be submitted later on about the percentage at which the tax will be levied. The receipts, however, are estimated approximately at Rs. 500.

10. (*e*) *Tax on Vehicles*—(*f*) *Tax on animals and* (*g*) *Tax on Carts.*—The council having at the meeting held on the 7th December 1898 raised the tax under these heads from three-fourths to the maximum rates, the next year's receipts are estimated at Rs. 1,550 against the current year's revised estimate of Rs. 1,160.

11. (*h*) *Tolls.*—Owing to the unfavourable character of the season, there was no competition amongst the bidders at the time of sale and the lease fetched Rs. 3,450 against Rs. 4,000 anticipated in the budget. Next year's receipts are estimated at Rs. 3,750.

12. (3) *Realizations under Special Acts—(b) Ferry Rents.*—The council having resolved to apply for the sanction of Government to bring into force in this town the provisions of Act II of 1890 about which a separate report is made, credit is taken for a receipt of Rs. 10. The receipts under this head are not likely to be more than this sum as the floods in the river last only for a few days.

13. (*c*) *Fees under Act II of* 1888.—The revised estimate figure is adopted.

14. (4) *Revenue derived from Municipal property and powers apart from taxation* (*a*) (iii), (*b*) (ii) *and* (iii), (*c*), (*d*) (i), (*e*) (i) *and* (ii), *and* (*f*) (i).—As there is no reason to expect any change under these items, the figures in the revised estimate have been adopted.

15. (*f*) (ii) *Income from Slaughter-house.*—The lease of this farm for the current year fetched only Rs. 1,410 against the budget figure of Rs. 1,500 owing to want of competition at the time of sale. The next year's receipts are estimated at Rs. 1,450.

16. (*g*) *Other fees*—(iii) *License fees.*—Many tanneries in the town having been closed by the merchants, owing probably to the fall in the skin trade, the receipts are estimated at Rs. 500 against the current year's budget grant of Rs. 650.

17. (*h*) *Fines under the Municipal and other Acts.*—The current year's budget figure is repeated.

18. (5) *Grants and Contributions—(b) from Local Boards*—(ii) *Medical.*—The construction of a substantial in-patient ward has now been put in hand and the amount of the estimate for the work is Rs. 6,000. Including the amount of the other usual expenditure of the hospital, the contribution payable by the Tiruppattúr Taluk Board towards the upkeep of the Municipal hospital, *i.e.*, one-fourth of the net cost, is estimated at Rs. 2,250.

19. (*c*) *Other Grants and Contributions*—(i) *Education.*—The services of the gymnastic instructor employed by the Municipal Council are utilized also by the Manager of the London Mission Lower Secondary school on payment of a monthly contribution of Rs. 5 to the Council; hence the credit of Rs. 60 under this head.

20. (6) *Miscellaneous—(a)* (1) *Private Scavenging.*—Prompt steps are being taken to increase the number of houses served by the private scavenging system and the receipts are estimated at Rs. 1,500.

21. The total receipts are expected to amount to Rs. 24,010 as against the revised estimate of Rs. 19,960 and the current year's budget estimate of Rs. 21,820. The increase as compared with the revised estimate of the current year is chiefly due to the increased contribution expected from the Taluk Board under Grant 3, and to the raising of the tax on buildings, vehicles and animals to the maximum rates as explained above. The estimated total receipts including the opening balance of Rs. 2,460 for the year 1899–1900 thus amount to Rs. 26,470.

Expenditure.

22. *Grant 1, Public Works*—(1) *New Works—(a) Communications.*—For the construction of a culvert mentioned in statement II-A, a sum of Rs. 100 is provided.

23. (*b*) *Buildings.*—The total amount of the estimates for the in-patient ward and cook shed according to the designs approved by the Sanitary Board is Rs. 6,500. The sum of Rs. 2,000 already sanctioned by Government in its order, Mis. No. 1977 M., dated 23rd November 1898, for the ward will be spent within the close of the current year and provision is made for the remaining amount, viz, Rs. 4,500. It is proposed to purchase a dozen corrugated iron dust-bins in the ensuing year and a sum of Rs. 60 is therefore provided for this purpose.

24. (2) *Repairs*—(*a*) *Communications.*—A sum of Rs. 1,200 only is provided under this head. The reduction in the allotment is due to provision having to be made for the heavy plague expenditure and for the construction of the in-patient ward or should funds permit, the provision will be increased as circumstances require. The roads, streets, &c., proposed to be repaired in the ensuing year are detailed in the statement II-A.

25. (*d*) *Water-supply*—(*i*) *Repairs to Works Machinery, &c., Rs.* 30.—This sum is intended for the repair of platforms, parapet walls, &c., of the public drinking-water wells.

The total charges under Grant 1 amount to Rs. 6,570 against the current year's revised estimate of Rs. 5,170.

26. *Grant 2, Education*—(*ii*) *On Salary-result System*—(*a*) *Fixed Payments.*—A sum of Rs. 1,420 is provided under this head against the revised estimate of Rs. 1,230, the increase being due to the fact that as recommended by the educational authorities it is proposed to appoint an assistant teacher on Rs. 7 per mensem for the girls' school. The Council has also resolved to appoint an assistant master on Rs. 6 per mensem to the Muhammadan primary school at Kaderpet.

27. (*c*) *Contingencies.*—As recommended by the educational authorities, a sum of Rs. 350 is provided under this head.

28. (3) *Salary Grants and* (5) *Building and Furniture Grant.*—The provision of Rs. 400 under this head represents the usual grant made towards the pay of the qualified teachers employed in the London Mission Lower Secondary school and towards the house-rent of that school.

The total expenditure under Grant 2 amounts to Rs. 2,900 as against the current year's revised estimate of Rs. 2,800 and this is 16·4 per cent. of the estimated income from taxation, markets and rents.

29. *Grant 3, Sanitation and Medical Service*—(*i*) *Hospitals and Dispensaries*—(*a*) *Establishment and* (*b*) *Medicines and Supplies.*—As recommended by the District Medical and Sanitary Officer, the last year's budget figure is repeated for establishment charges and the particulars of establishment are detailed in statement II-B. The current year's revised estimate figure, viz., Rs. 550, is considered sufficient for medicines and supplies next year, and therefore the same figure has been adopted.

30. (*c*) *Diet of patients.*—Though the District Medical officer recommended a provision of Rs. 360 under this head as in last year, a sum of Rs. 150 only is provided as the new ward is not likely to be ready for the accommodation of in-patients till the middle of the year.

31. (*d*) *Sundries and Contingencies.*—A sum of Rs. 500 is considered sufficient under this head and provision is made accordingly.

32. (2) (*a*) *Contribution to Provincial Funds.*—A sum of Rs. 200 is provided with reference to the actual amount paid last year.

33. (4) *Registration of Births and Deaths*—(*a*) *Establishment.*—The council having resolved to reduce the pay of the registrar of births and deaths from Rs. 12 to 10 per mensem, there is a decrease in the provision made as compared with the revised estimate.

34. (5) *Conservancy, Road-cleaning and Road-watering*—(*a*) (*i*) *Establishment.*—The provision under this head is Rs. 3,680 as against the current year's allotment of Rs. 4,050 and the decrease is accounted for as follows. The supervising staff at present consists of one certificated sanitary inspector on Rs. 25 + 10, one sub-inspector on Rs. 15 and five sanitary maistries. The council is of opinion that the supervising staff is unnecessarily large and has accordingly, at the meeting held on

the 7th December 1898, resolved to abolish the post of sub-inspector and to dispense with the services of one sanitary maistry. As a matter of fact the sub-inspector has for sometime past been chiefly employed in looking after the lighting arrangements. The number of sanitary maistries will thus be four—one on Rs. 8 and three on Rs. 7 per mensem. The number of scavengers provided is 17 as against 18 shown in the current year's budget statement and this is due to the fact that the proposed construction of an additional latrine in Amburpet has been put off for want of funds. One of the male sweepers is at present solely employed in watching and cleaning the municipal slaughter-house and his pay (Rs. 4 per mensem) has therefore been transferred to Grant 4 (ii) (*a*). This accounts for the decrease in the number of male sweepers which, as shown in Statement II-B, is 15 as against 16 in the current year.

35. (ii) *Other Charges, such as Purchase or Hire of Carts, &c.*—A sum of Rs. 150 is provided under this head for replacing old night-soil carts when out of order.

36. (*b*) *Private Scavenging*—(1) *Establishment.*—The current year's budget figure is repeated.

37. (*c*) *Epidemic Charges.*—According to the statement already submitted to the Collector of Salem showing the charges to be incurred on account of plague for 1899–1900, a sum of Rs. 2,750 is provided under this head.

The total charges under Grant 3 thus amount to Rs. 10,850 as against the revised estimate of Rs. 11,010 and the budget grant of Rs. 9,860 for the year 1898-99.

38. *Grant 4, Lighting and Miscellaneous Municipal Purposes*—(*a*) *Establishment.*—It is proposed to put up about 13 additional lights during the ensuing year and this will bring the total number of lights in the town up to 210. There are six lamplighters, each having 35 lamps in his charge, and to secure efficient supervision over their work, the council has resolved to appoint a lighting superintendent on Rs. 12. This accounts for the increase under this head.

39. (*b*) *Contingencies.*—The proposal to put up additional lights, as explained in the above paragraph, accounts for the increase under this head.

40. (ii) *Slaughter-houses*—(*a*) *Establishment, Rs.* 50.—This represents the pay of the sweeper deputed to watch and clean the municipal slaughter-house building as explained in paragraph 34 *supra.*

41. (9) *Other Charges*—(iv) *Compensation for Lands.*—No funds have been provided as no acquisition is contemplated in next year.

The total expenditure under Grant 4 amounts to Rs. 2,160 against the revised estimate of Rs. 1,930.

42. *Grant 5,* (*a*) *General Establishment*—(1) *Office Establishment.*—The pay of the clerk who does the duty of shroff being small, the council has resolved to raise it from Rs. 10 to Rs. 12 considering the responsibility thrown on him. The work in the office is heavy and the appointment of an additional clerk is very desirable. As funds do not permit of this being done, it has been resolved by the council to abolish the post of attender on Rs. 8 and to make provision instead for the entertainment of an additional clerk on Rs. 10 per mensem; hence the increase in the allotment as compared with the current year's budget figure.

43. (ii) *Inspection.*—As resolved by the council, a sum of Rs. 240 is provided under this head on account of carriage allowance for the Vice-Chairman. I, as Divisional-officer, have my head-quarters at Tiruppattúr, and as I can only make a few days stay in this town in each month, the Vice-Chairman (who is the local Sub-Registrar) has to attend to the general supervision of the municipal work, and most of the Chairman's powers under the Act have been delegated to him. In order that the supervision by him may be real and effective, the council thinks that he should be provided with a horse or conveyance and that an allowance should be made him to meet the cost of its upkeep. With this in view, the council, at the meeting held on the 7th December 1898, resolved to grant him a carriage allowance of Rs. 20 per mensem. The Vice-Chairman does not at present maintain any conveyance, nor is he expected to maintain one as Sub-Registrar.

44. (*b*) *Collections of Municipal Taxes*—(1) *Establishment, Rs.* 260.—The decrease, as compared with the current year's budget provision of Rs. 340, is explained below. Each of the two bill-collectors has at present two peons to assist him in serving processes; the council is of opinion that the lighting staff may be employed at this work on their off-days and that the peons are therefore unnecessary. Their services have consequently been dispensed with.

The total expenditure under Grant 5 amounts to Rs. 2,290 as against the current year's revised estimate of Rs. 2,070.

45. The budget grants under all other heads closely follow the revised estimate and the variations are too trifling to call for any remarks.

46. The total expenditure under all grants amounts to Rs. 24,770. Deducting this from the estimated total receipts, viz., Rs. 26,470, the closing balance is estimated at Rs. 1,700, which is 6·42 per cent. of the estimated total receipts.

The percentage of expenditure under each grant, as compared with the total receipts of the year, is detailed below :—

	Amount.	Percentage.

Grant 1	6,570	24·82
„ 2	2,900	10·96

REVISED ESTIMATE FOR 1898-99:

2. The current receipts and charges are now estimated at Rs.19,960 and Rs.22,900, respectively, against Rs.21,820 and Rs.21,810 anticipated in the sanctioned budget. The decrease in the receipts which occurs chiefly under tolls, fines, contributions from Local Boards and private scavenging fees is partly counterbalanced by an increase under hospital receipts, while the increase in the charges appears under Grants 1 and 3. The abolition of the post of hospital cook, proposed in para.4 of the Chairman's letter, is approved. With reference to G.O. No.1259, Financial, dated 28th September 1898, communicated with G.O No. 44 L, dated 11th January 1899, the Government considers that it will be now sufficient to reserve a sum of Rs.1,240 for expenditure on plague preventive measures in the current year. The provision made for epidemic charges will accordingly be reduced by Rs.1,900. The balance to be carried forward to the ensuing year's budget will then be Rs.4,360.

BUDGET ESTIMATE FOR 1899-1900:

3. RECEIPTS: The receipts for the ensuing year are put down at Rs.24,010 against Rs.19,960 in the revised estimate, the increase being chiefly under the taxes on buildings and lands, tolls, fines and contributions

contributions from Local Boards. The proposals of the Municipal Council to raise the rates of the tax on buildings from 7½ to 8½ per cent of the annual rental and of the taxes on vehicles, animals and carts from three-fourths to the maximum are sanctioned. The report regarding the tax on lands, promised in para.9 of the Chairman's letter will be awaited.

4. Charges (1). The probable charges are entered as Rs.24,770, against the revised estimate of Rs.21,090, the increase being mainly under Grants 1 and 3.

(2) Grant /. The allotment for the maintenance of roads will be raised by Rs.200 so as to represent 50 per cent of the net municipal revenue from tolls.

(3) Grant 2. The entertainment of the two assistant teachers proposed in para.26 is sanctioned.

(4) Grant 3. The remarks of the Sanitary Commissioner on the allotments for Vaccination, Registration of Vital Statistics and Sanitation are awaited. Meanwhile, the amount provided for epidemic charges will be reduced from Rs.2,750 to Rs.1,740 with reference to G.O. No.1239 Financial,, dated 28th December 1898, communicated with G.O. No. 440 , dated 11th Jany 1899.

(5) Grants 4 and 5. The entertainment of a lighting superintendent on Rs.12 and the alterations in the Municipal Office and Collection Establishments, proposed in paragraphs 38, 42 and 44 of the Chairman's letter are sanctioned. But under

under Clause (1) of Section 16 of the Act the grant of a carriage allowance of Rs.30 per mensem to the Vice-Chairman proposed in para.43 cannot be approved. With reference to G.O. No.2230 L., dated 25th November 1898, the contribution for the Central Office Establishments will be reduced from Rs.210 to Rs.181 or Rs.180 in round figures.

3. The budget, as revised by Government, closes with a balance of Rs. ~~4,080~~ 3670 or ~~19·6~~ 15·3 per cent of the estimated receipts. Proposals should be submitted in the course of the year for utilizing a portion of this large balance for the benefit of the rate-payers.
