Ordering the publication in the Fort St. George and the Malabar District Gazettes of a notification proposing certain alterations in the limits of the Palghat Municipality, and stating that any objection which may be made in respect of these alterations should be submitted in writing to Government within six weeks from the publication of the notification in the District Gazette.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers:—

From G. W. DANCE, Esq., I.C.S., Collector of Malabar, to the Secretary to Government, Local and Municipal Department, dated Calicut, 20th May 1899, No. R. 31-M.

At the instance of the Chairman, Municipal Council, Palghat, I have the honour to submit herewith, for approval and publication in the *Fort St. George Gazette*, under section 4-A (3) of the District Municipalities Act, as amended by Act III of 1897, an amended notification defining the boundaries of the Palghat Municipality in modification of the one embodied in G.O., No. 665, Public, dated 3rd July 1866. The only alteration in the amended notification is in the description given of the western boundary, which has been so defined as to include the Mepparamba road also within the municipal limits. This road at present forms one of the western boundaries of the Municipality constituted in accordance with the above Government Order. It is not now a municipal road inasmuch as only places situate and lying within the boundaries constitute the Municipality. The Municipal Council, Palghat, request that they may be put in possession of this road with a view to repair and keep it in good order from Municipal funds. A copy of the resolution is enclosed. I beg to recommend that the request of the Council may be complied with.

2. The Special Deputy Collector (for jenman registration), Palghat, reports that "a special cadastral survey of the town of Palghat is to be undertaken shortly," and that "until the special survey party completes its work, the enumeration of survey fields of desams lying wholly or partly within municipal limits cannot be considered final." He suggests, therefore, that the publication of the amended notification defining the boundaries of the Municipality may be deferred till the special survey is completed. With regard to this, the Chairman reports that "the formation of the abandoned road from Mepparamba to Kavalpad has already been postponed for a lengthy period, and any delay in its formation will give ample opportunities to the land-owners on both the sides to make further encroachments upon the road." In these circumstances, I beg to suggest that the amended notification now submitted may be published in the *Fort St. George Gazette* and that a revised notification may be published, if found necessary, when the cadastral survey of the town is completed.

Reference No. 626 M.

The Collector is requested to submit a map showing the existing and the proposed boundaries of the Palghat Municipality, and also the position of the Mepparamba road. He should also forward a copy of the resolution of the Municipal Council referred to at the end of paragraph 1 of his letter as it has not been received in the Government office.

(Signed) A. EDGINGTON,
Ag. Assistant Secretary.

12*th June* 1899.

To the Collector of Malabar.

From the Chairman, Municipal Council, Palghat, to the Collector of Malabar, dated 3rd August 1899, No. 2889.

With reference to your endorsement, Ref. on Cur. No. 248 M., dated 16th June 1899, on Government memorandum, No. 626, dated 12th June 1899, and in continuation of my letter, No. 2651, dated 22nd July 1899, I have the honour to submit herewith a map showing the existing and the proposed boundaries of the Municipality of Palghat, and also the position of the Mepparamba road, and also to subjoin a copy of the resolution of the Municipal Council No. 1, dated 2nd February 1898:—

"Read endorsement of the Head Assistant Collector of Malabar, dated 13th January 1898, forwarding copy of letter from the Tahsildar of Palghat stating that the Mepparamba road on the western boundary of the municipality has been pegged out and the encroachments removed.

Resolution.—The Collector of Malabar will be requested to put the Municipal Council in possession of this road with a view that it may be repaired from the Municipal funds."

2. Since the receipt of your endorsement, the Assistant Superintendent in charge of Special Cadastral Surveys, Coimbatore, has forwarded to me a copy of G.O., Mis. No. 1960 R., dated 1st June 1899, approving a draft notification, submitted by the Superintendent of Madras Survey, directing the survey of four municipal towns, viz., Palghat, Karúr, Erode and Coimbatore. The Assistant Superintendent has also addressed me requesting that he may be furnished with a detailed statement showing the revised municipal limits of the Palghat town, that the municipal inspector may be directed to point out to the head surveyor the correct eastern boundary of the municipality, and that the Government may be addressed to notify the correct municipal boundaries of Palghat, those embodied in G.O., No. 665, dated 3rd July 1866, being incorrect. I have had personal discussion with Mr. MacHatchin, Assistant Superintendent, about the municipal boundaries, on more than one occasion, and the eastern boundaries, which he considered incorrect, were inspected by him, in my company, on the 13th July last. Some parambas (waste lands) and lands actually situated within the municipality, and also included within the municipality when the town was first divided into five wards for electoral purposes in G.O., No. 84 M., Financial, dated 1st February 1886, will be found excluded, if the eastern boundary is strictly interpreted in accordance with what is shown in G.O., No. 665 of 1866. A few verbal alterations and modifications in the eastern boundary will include within the municipality all such parambas and lands which actually formed portions of the municipality, since its constitution more than 33 years ago. In these circumstances, I beg to submit herewith a revised notification for publication in the *Fort St. George Gazette*—a notification, which includes the Mepparamba road on the west, and also defines the correct eastern boundary of the municipality. The Municipal Council have also adopted the following resolution on this subject on the 2nd instant.

2. "Read endorsement of the Collector of Malabar, Ref. on Cur. No. 248 M., dated 16th June 1899, on copy of Government memorandum, No. 626, dated 12th June 1899, *in re* the boundaries of the Palghat Municipality, together with resolution, No. 24, dated 5th July 1899, on the subject and the acting municipal overseer's report, No. 432, dated 20th July 1899, submitting a map and a draft notification showing the correct boundaries of the municipality—

Resolution.—The revised notification, as drafted by the acting overseer, giving the correct boundaries of the municipality on the east, is approved."

I request that you will be pleased to address the Government with a view that the revised notification herewith submitted may be published in the *Fort St. George Gazette* at an early date.

To

The Collector of Malabar

Sir,

I have the honor to acknowledge the receipt of your endorsement Rejon Cno. 248/M 899, dated the 16th June 99, on Government Memorandum no. 626 dated 12.6.99. Since the receipt of your endorsement, the Assistant Superintendent in charge of Special Cadastral Surveys, Coimbatore, has addressed me stating that the eastern boundary of the Municipality as shown in the notification embodied in G.O. no 665 dated 3rd July 1866 is incorrect, and requesting that the Government may be addressed to notify the correct Municipal boundaries of Palghat. I beg to state that all these papers are placed for the Consideration of the Municipal Council at their meeting to be held on the 2nd August 1899, and the map called for by Government together with a revised draft notification showing the boundaries of the Municipality
