LOCAL AND MUNICIPAL DEPARTMENT.
again for 1136ms 11 August 99 and
C. No 2308 & 2316m 199.

SUBJECT.

Conversion of the Eastern Salary
-result School, Mannargudi, into a
Panchama School.

HM

Misc

ORDER. No. 1363 mms of 18/5/99

MA 9.99
14.

The Government Considers it
highly desirable that the Hindu Eastern
Salary-result school should, as
recommended by the Director of Public
Instruction, be converted into a
Panchama school and removed to
a suitable locality in the neighbour-
hood of the Pancheri in the eastern
part of the town. The municipal Council
is accordingly requested to reconsider its
resolution in the matter and to report
to Government through the Collector its decision, with the grounds
on which it is based.

There are two schools belonging to the
Mannargudi - 1. Panchama school
2. Eastern Hindu school
The Council proposed to abolish (2) - The
Director of Public Instruction says that as there are
two Panchama 2 miles apart from
each other - Two Panchama schools
are necessary -

It is a small town (2 1/2 miles)
which is required & it contains
large number of houses to two
Panchama schools.

2. Read Proceedings of the Madras —
Government (order No 1136th M. S. dated
11th August 1845) Commending the —
suggestion of the Director of Public
Instruction with regard to the
converting of the 2^d School —
into a Panchama School for considera-
tion & report.

Resolution: — It is considered —
unnecessary for a small municipality
like Hancock to have 2 Parochial
schools. The Council unanimously
agreed

agree that necessary arrangements
be made for the education of
Panchamas living in both sides.

LOCAL & MUNICIPAL
CURRENT NO. 2316 M

The humble memorial of Pallas, Pariahs and
Panchamas living in the Village of Muthal Chetty
Rajampallayam, Kylasa nathan Kil and Sanga-
nath Kil situated within the Municipal limits of
Mannargudi, Tanjore District most respectfully
sheweth

Most Respected Sir,

1 SEP. 1899

That on our request and
the Inspecting School Master of the Mannargudi
Municipality a Panchama School was started
in May last ten Ta linef. A certificated teacher
who offered his services gratuitously till the
sanction of Government is obtained for the
maintenance of the School, was appointed
to look after the School.

2 The School contains now about 47 boys and
girls. Seeing the rapid increase of strength and
the solicitude of the Panchamas for education
the Inspecting School Master recommended to
the Government the desirability of starting and
maintaining another Panchama School near to
our alode, through his official superiors. On
the strong recommendation of the Educational
officers the Government sanctioned the
proposal

proposal and requested the Municipal Council
to provide funds for maintaining the school

The Council met on the 25th Instant and . 3
 recorded a resolution that one Pauchama School
 would do for the place and the location of the
 Pauchama School may be shifted to a better
 centrally situated if necessary.
 The Council resolved

The Council resolution welcoming the recom-
-mendations of the Director and Government is deter-
-mined to the Cause of Pancheama Education for the
reasons stated below.

It is a well known fact that the Panchamas never aspire for even elementary education and they are the degraded class of population. The paternal Government seeing the degraded condition of the Panchamas in the Society started schools all over the Presidency to ameliorate them.

(a) The area of the Presidency is 15,000 sq. miles.

(a) The area of the Municipality is nearly 6 sq miles
our proposed School is situated in the eastern end of the
Municipal limit about 2 or 3 furlongs from Parachang.
The present Panchayat School is situated in the
South western corner of the Municipal limits —
3 miles distant from our School.

(b) Even if the present school is shifted to a centrally situated building the distance from the two schools will be nearly $1\frac{1}{2}$ miles. It would be difficult to expect that a class steeped in ignorance and that ~~envisage~~ ^{winning} for anything for education would go all the way to attend the school. Practically the education of the Panchamas will come to a stand still by the present attitude of the Council.

(c) It may be

(c) It may be argued that the Council has resorted to this course for want of funds to maintain the school. Even admitting this plea as true I
our school may be amalgamated with the

S. R. School and the amalgamated School
may be shifted to an unobjectionable place
convenient to both the Panchamas and Sudras.
The fund provided for the Eastern S. R. School
will be sufficient for the amalgamated School
for the present as the teachers of that School
will look after this also.

6 If our suggestions be adopted the two schools
with progress and the Education of the Panchams
will be considered as sufficiently provided for.

7 In conclusion we pray that our request
maybe sanctioned after careful consideration.
