Note

The land which it is now proposed
to acquire is required to be given in ex-
-change for the military Camping ground
which the municipal Council has taken
up for some public purpose. In G.O. No. 2411 dated 10th January 1894, it was held
that the Land Acquisition Act could
not be resorted to for the purpose of
acquiring lands which were required to be
given

given in exchange for land taken up for a "public purpose". But in the present case, the application of the Act seems to be unobjectionable, as the provision of a camping ground may be said to be a public purpose. In this connection attention is invited to the notes and orders in G.O. No. 319 M, dated 9th March 93, in which it was held that "where Service in a land is taken up for a public purpose, the acquisition of land to replace it for the maintenance of the Service is quite legitimate under Act X of 1870 (Land Acquisition Act)."

As the land is required as a camping ground also there can be no objection
