Sir,
With reference to the Memorandum
of Government, No 872 dated 23rd August
1899, calling on for explanation as to certain
discrepancies therein noticed, I have the
honor to submit the following:-

Clause 1- I beg to state that, according
to the Audit report for 1897-98, there were
no arrears, under tax on carts. But,
when carts, which evaded registration
in a year, are either seized, or brought
to the Municipal Office for registration,
during the succeeding year, the arrears
of fees, if any, due on such carts for

the

The previous year are collected, and such amounts are shown as demand under arrears, or, in other words, as collections pertaining to the previous year. It is not possible to fix the demand for a year as the carts generally change hands. In this connection, I beg to invite your attention to the last sentence in para 16 of my report read in G.O. No 1737 M dated 24th October 1895.

Clause (3) - The total number of patients treated at the Main Hospital is 10,600. The figure 10,560, shown in column 4 of Statement XII, is only a clerical mistake.

I have the honor to be,
