FROM

To

THE ~~CHIEF~~ SECRETARY TO GOVERNMENT.

Local & Municipal Department,

Fort St. George.

Sir,

I have the honor to report that as the trading season has almost commenced and plague is still prevalent in the Bombay Presidency including the city of Bombay, it has become necessary to revise the arrangements which were in force till the end of the last trading season, for carrying out the quarantine Regulations notified in G. O. No 745, Marine, dated 23^d August 1897. I have therefore issued orders for the re-entertainment of the establishments previously sanctioned (vide enclosed list) and for the erection of the necessary sheds, as the old sheds had been pulled down and their materials sold at the commencement of the monsoon, because the sheds would not have stood out the monsoon and also

because their necessity after the close
 of the monsoon could not be foreseen.
 I request that my above action may
 be approved and that the amount
 of Rs: 5,800 which was estimated under
 "Provincial" in my Quarterly Estimate
 of plague expenditure dated 22 July
 1899, No: $\frac{107}{8}$ of 1899, but which was not
 passed for reasons given in G. O. No:
 785, Financial, dated 12th July 1899, may
 be now sanctioned.

is for $\frac{1114}{19.7}$
