Sir,

I have the honor to inform you that the Government has intended to build a Station House for the Bimlipatam Town Police and called upon the Superintendent of Police to report if any site is available. As there are some suitable sites in the Town, one was selected, but the Superintendent of Police has instructed me to ascertain if the Municipality would sell the building in which the Town Station is now located and if so, what they want for it. I request you will be so kind as to enlighten me on these points, at a very early date, to enable me to report the same to the Superintendent of Police.

LOCAL & MUNICIPAL DEPT.
For CURRENT No. 2307M

The Secretary to Government,
Local and Municipal Department
Madras.

Sir,

In reply to your Memorandum No. 786 dated 26th July 1899 I have the honor to state that the Municipal building, in which the Town Police Station is now located, was repurchased from the Government for Rs 600/- as stated in letter No. 17 dated 5th Jan'y 1899 of this office.

It is also seen from the records that it was subsequently constructed at the Municipal expense so as to suit the conveniences of a Police Station.

(A copy of the letter bearing on the subject is herein enclosed.)

In connection with the sale of the building to the Police department, I further beg to state that, on the Police department refusing to take it up for Rs 1800/- (the estimated figure of the Executive Engineer, Vizagapatam, in the year 1894, as stated in this Office letter No. 100 dated 23rd June 1899 to Government under reference) the Council resolved at its meeting that the building may be sold for Rs 1500/-.

A copy of the Council's resolution and the letter of the Police Inspector is herein enclosed.

2307/m/99

I therefore request you will be
good enough to accord your sanction to
the above resolution of the Council as the
sale ^{of the Building} ~~thereof~~ would not at all fetch a
higher price even if sold to others.

I have the honor to be
Sir
Your most obedient servant,
Wm. B. Lawrence
Chairman Delegate, etc.
