Sir,

With resolution of the Municipal
Council dated No. IV dated 1st March
1899 Communicated to me in No
370 6.3.99 I have the honor to express
my regret that, I cannot see
~~any~~ way to excusing the Hospital
Assistants of Karumtha Lakuday
and Manambuchavady from night
duty at the R. M. Hospital. Any
one who cares to give the question
a moment's thought will see that
this duty is performed by them solely
in the interests of the Public. It
might interfere with the private
practice of these Hospital
assistants, but private practice
must yield to public duty.

Resolution No. IV

Read letter No 135 dated 8.3.99 from the D.S. Medical and Sanitary Officer Dacry stating that he cannot see his way to increasing the Hospital Assistants of Municipal Dispensaries from eight each at the Rajah Minsidar Hospital.

Resolved that the Council is still of opinion that as the Hospital Assistants of Karimthangur and Manambuchang are paid out of Municipal funds, they are wholly Municipal servants and as such should not be called away to the Rajah Minsidar Hospital to the prejudice of the

public of Karamthakur and
 and Manambuchavoz for the
 benefit of the Residents of the
 two places where the Hospital
 Assistants have been entertained
 by the Municipality. But the
 District Medical and Sanitary
 officer insists upon imposing
 this work, the Council resolves
 to refer the question through the
 Collector to the Government
 in view to obtain a general
 ruling on the matter.

Chairman dissents.

Thro. the Divisional Officer,
TANJORE.

Sir,

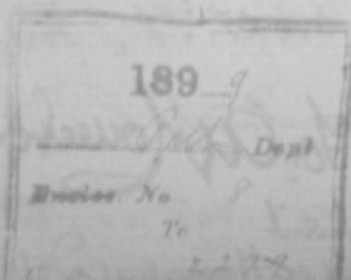

I have the honor to bring to your notice that the District Medical and Sanitary Officer, Tanjore compels the Hospital Assistants in Municipal Employ in the Municipal Dispensaries of Manambuchavady and Karuthallangudy to attend to night duty at the Rapa Mirasidasa Hospital to the detriment of the interests of the people of those localities. M.R. J. N. Ramiah Avergal a Municipal Councillor on behalf of the residents of Karuthallangudy brought the matter before the Municipal Council on 1.3.99 and it resolved to request the District Medical Officer to excuse the Hospital Assistants from night duty. That officer, however, refused to comply with the Council's request on the ground that

that the night duty performed at the Raja Mirasidhar Hospital is solely in the interests of the public.

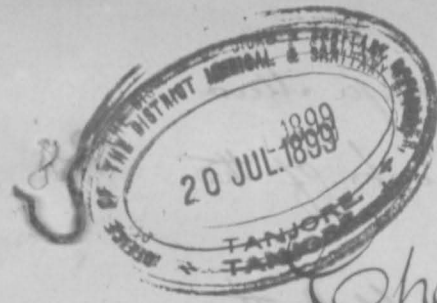

In this connection I beg to state that the Hospital Assistant is doing public duty to the prejudice of the interests of the residents for whose benefit he was appointed. G.O. No. 154 L dated 24.1.95 sanctioning house rent of Rs 5 of Hospital Assistant lays down as a condition for the grant that the quarters must be situated within 200 yards. It is therefore evident that the officer must be always in the Division so as to be servicable to the people thereat. The District Medical and Sanitary Officer's reply, refusing to comply with the request of the Municipal Council was brought before the Council on 22.3.99 and it resolved to address the Government for a ruling on the subject. Extracts of the Proceedings of the Municipal Council on both the occasions are herewith submitted.

To THE HONORABLE THE

Government, Public Dept.

SIR,

In returning the papers referred to me for remarks with your Endorsement No. 426 dated the 8th July 1899, I have the honor to subjoin the report of the District Medical and Sanitary Officer, Tanjore thereon and to state that I concur with him.

"As the municipality does not maintain a separate hospital, but depends upon the Rajah Nivasdas hospital (which is supported by the District Board) for the treatment of its sick, the interests of both these bodies in maintaining an efficient establishment are identical. The municipality benefits largely by the Local Fund hospital, not only as stated above, but all its out-patients (some of whom are wellable to pay) receive medicine gratuitously and it is nothing but right that the municipality should come to the help of the District Board in times of emergency.

But the municipality pays a contribution to the D. Board

the.

18
 The calling upon the municipal medical subordinates to take their turn of night duty at the Rajah Muvendar Hospital does not interfere with their duties at their several Dispensaries, where only out patients are attended to, morning & evening. The need for extra establishment was brought before the Board at Budget meetings for several years past but as the cost of maintaining the hospital was already large, the Board was not in a position to increase it."
