SUBJECT.

Under the sanction accorded in G.O. No. 286 L. F., dated 9th March 86, the toll gates are managed by the District Board, which pays an annual contribution to the Municipality. The District Board has been issuing compound licenses for vehicles & animals owned by persons living outside the Municipality. Since the management of tolls was handed over to it (vide para. 4 of the President's letter printed on page 1 of G.O. No. 257 of 16.4.84) and it seems to be entitled to do so under Sec 87 (2) of the Local Boards Act. The rates, fees charged by the Dist Board for such licenses is Rs 2 per cart per annum, while the rate of the tax on carts levied in the Municipality is Rs 3. In para. 9 of his report embodied in G.O. 1028 of 20.7.99 the Chairman of the M.C. of Tinnaveilly suggested that the Dist Board might be required to levy the same rate of fees in respect of carts as the Municipality. No action, however, appears to be called for in regard to this suggestion, as the Colly. States that

The decrease in the income is due to the fact that some persons living outside the Municipality, who were formerly taking out licenses from the Municipality, apparently by mistake, no longer do so, & the D. Bd. insists on the licenses being obtained from

The Secretary to Government,

Local & Municipal Department,

Sir,

With reference to para 3 (2) of G.O. No. 1028-M
20-7-99

I have the honour to report that, from enquiries made, it is found, the action of the District Board in issuing compound licenses to persons residing outside Municipal limits is in accordance with the terms of the contract originally entered into between the Municipality and the District Board and -- approved of in G.O. No. 286-L.F. Mis. 9-3-'86 and it is not clear how this practice which has been in vogue for the past 12 years tended to affect the receipts of the Municipality during -- 1898-99 as stated by the Chairman in his letter No. 111 em- 23-2-98 -bodied in G.O. No. 178-M/11-2-99.

2. A new contract will have to be entered into between the District Board and the Municipality when the extension of the present limits of the Municipality is finally sanctioned by Government, (Vide G.O. No. 983-M/12-7-99). Meanwhile no action seems to be called for.

I have the honour to be,

Sir,

Your most obedient servant,

Acting Collector.
