The Collector now reports that owing to the recent curtailment of the list of plague infected areas, and the consequent abolition of some of the Road

Frontier Inspection stations and observation circles, the services of a clerk on Rs.45 and an Accountant on Rs.20 have been dispensed with from 1st August 1899. Mr. Elwin requests sanction however for the retention of the remaining establishment until the end of November next, on the ground that the work in connection with the checking of passports is still very heavy and that no portion of the establishment now retained can be abolished so long as the plague precautionary measures continue to be observed in the district without throwing a great deal of extra work on the ordinary establishment of his office. In these circumstances, the Board recommends that the sanction applied for may be accorded.

2. The charge can be met from the provision of Rs. 10,000 made in the Civil Budget estimate for 1899-1900 under "3 A-Land Revenue charges of District Administration-Plague Charges-Establishment".
