Copy of letter of 28th March 1899 from the Collector of Salem to the Secretary to Government Pension Department, through the Plague Committee. Ref no 621 P.C.

One A. E. Simon, a retired 1st class Hospital Assistant, was deputed by the Surgeon-General for Plague duty in this District. He joined on 22nd September 1898 and was attached to the Ambulance Staff for a time, but as his work was unsatisfactory he was placed in charge of a Frontier Inspection Station. He then resigned and was relieved on 17th January 1899. The Surgeon-General says that he was entertained on the distinct understanding that he would be given the pay of his grade at the time of his retirement in addition to pension and that he should be paid accordingly. He is an invalid pensioner, his monthly pension amounting to Rs 21-1-4 (G.O No 415 dated 18th June 1898). As under article 574 of the Civil Service Regulations he cannot draw his pension as well as the pay which he was getting before he was pensioned, I have the honor to request that Government may

be pleased to sanction payment of pay and pension as settled by the Surgeon-General, with reference to article 579 of the Civil Service Regulations. It is on the grounds of the agreement entered into by the Surgeon-General and at the Surgeon-General's request that I make the recommendation. He was of no use as a workman.
