The Secretary to Government,
Local and Municipal
Department
Fort Saint George.

Sir,

With reference to clause 2 of
Memorandum No. 941 dated the 7th instant
I have the honor to inform you that the figures
entered in Statement V B. Columns 8
and 9 (162 and 131) are wrong, and are
due to want of proper supervision and
check in the Municipal office.

Again the figures 145 and 118 were
taken from another statement no. IV B.
furnished by the Assistant Inspector
of Schools, Coimbatore Division, ~
instead of from the Statement no. IV.
submitted to the Government. The correct
figures are 145 and 118 as the number of
pupils passed and shown in column 7
against fourth standard should be
5 and not 6 as entered in the Statement.
IV. I have every reason to hope that
with the appointment of an educated
and

and well informed Secretary such mistakes will not occur in documents specially prepared for the information of the Government.

I have the honor to be,

Sir,

Your most obedient Servant,

W. Hammett

Chairman M.C.

LOCAL AND MUNICIPAL DEPARTMENT.

Points noticed in the
Ootacamund Municipal Report for 1898-99.

Cus. 1966m.

Memorandum No. 941 of 7-9-99

Read the following paper:-

The following points are noticed in the statements submitted with the Chairman's report:-

(1) In column 2 of statement I, the grant of Rs. 104 received from Provincial funds on account of the Breeks' Memorial High School should have been shown under 5. a. (i) Education - "Schools", and not under "other purposes".

(2) In columns 8 and 9 of statement V. B., the total number of pupils examined and found qualified for grants in the Result System Schools is entered as 162 and 151 respectively, but according to the details furnished, it was 145 and 118, and according to statement No. IV submitted by the Assistant Inspector of schools, it was 145 and 119.

(3) In column 10 of statement V. B., the full amount of grants earned by the result system primary schools is entered as Rs. 529-1-0 instead of Rs. 429-1-0, according to the details furnished.

See para 40 of the report
+ Stat V-11.

(4) The Paragraphs in the Civil Surgeon's report have not been numbered.

The necessary corrections have now been made with reference to clauses (1), (3) and (4) above. The discrepancies noticed in clause (2) should be explained, as soon as possible.
