APPENDIX.

Read—the following papers:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with
the Government of Madras, to the Chief Secretary to Government (through
the Accountant-General), dated Madras, 7th April 1897, No. 204.

I have the honour to report that Surgeon-Captain J. L. Macrae, on special plague
duty at Guntakal, reports that the Collector of Anantapur having asked him to refund
the whole of his permanent advance which was given to him for medical comforts and
with which he has been purchasing service postage labels, he finds it very inconvenient
to meet such charges in the absence of a small sum at his disposal. I therefore request
that Government will be pleased to authorise the Collectors concerned to place at the
disposal of the medical officers in charge of plague duties a permanent advance of
Rs. 25 each to cover the cost of service postage and telegraph charges and medical
comforts, &c.

From W. H. MICHAEL, Esq., Officiating Accountant-General, to the Chief
Secretary to Government, dated Fort St. George, 10th April 1897, No. 1190.

In forwarding the letter of the Surgeon-General with the Government of Madras,
No. 204, dated 7th April 1897, in which he applies for the grant of a permanent
advance of Rs. 25 to each of the medical officers employed on plague duty in the
districts, I have the honour to state that there is no objection to the advance applied
for being granted.

Order—No. 360, Financial, dated 27th April 1897.
