With reference to G. O. No. 1837 B. (Civ) of

I 21st October 1898, I have the honour to submit the
resolution of the Council dated 15th December 1898,
and to state that the proposal contained therein
contemplates a complete separation of the
Municipal Collection staffs and the Scavenging
Collection staffs, and is thus on the lines
indicated in the Subcollector's and the Collector's
Endorsements embodied in the G. O. quoted.
The existing staffs for the collection of the Private
Scavenging fees has been strengthened and placed
under the supervision of the Sanitary staffs. I beg
to state that the Government will be pleased to accord its
assent to the proposal.

where?
The employment of a
separate staff for
the collection of the
private & scavenging
fees, is itself a
strengthening of the
staff, as all the existing

to the collection of the private & scavenging
fees.

I have the honour to be,
Sir,
your obedient servant,
