Order—No. 1411 P., dated 22nd September 1899.

The appended statement shows the old tents supplied by the Ordnance Department for plague purposes and such of them as have been returned by Collectors. The Inspector-General of Ordnance is requested to have the list verified.

2. Intimation of the return of tents to the Military Department should be promptly given to the Accountant-General to enable him to see that credit is given to the Civil Department in the Military exchange account for stores returned.

3. As there is no plague in the North Arcot, Cuddapah and Anantapur districts, it seems unnecessary for the Collectors of those districts to retain any of the tents belonging to the Military Department. The tents marked with an asterisk in the appended statement should accordingly be returned. The Collector of Cuddapah is informed that the tents supplied for the use of the Special Plague Officer were obtained from the Central Jail, Vellore, and that unless they have been already forwarded to the Collector of Anantapur, they should be retained in accordance with the instructions contained in paragraph 2, Plague Commissioner's letter, No. 1189, dated 2nd May 1899.

4. The Collector of Bellary has not accounted for the eight tents mentioned in Ref. on No. 2566 P., dated 4th September 1899. His reply to this reference should be expedited.
