To,

The Secretary to
Government, Local and
Municipal Department,

(Through the divisional officer)

Sir,

May 2

With reference to G.O. No. 1166,
M. No. dated 16th Instant, I have the
honor to report that land tax is levied
at present at annas 4, 2 and 1 per acre
of Runja, Runja and waste lands, -
respectively, and at annas 4 for every
80 sq. yards of vacant House sites. The tax
under this head amounts to Rs 340-0-0.
Assuming that this amount has been
arrived at at 7 1/2 per cent on their annual
rent value, the probable
revenue that may be realized by water
tax at 4 per cent may be estimated at
Rs 180-0-0, the
revenue for the half year
commencing from 1st 11/11/97
1897, when the tax will be
levied, will therefore be Rs 90.

It is very doubtful
whether this will repre-
-sent the income calcula-
-tion at 7 1/2 per cent on
the annual value of lands.
This may, however, be
accepted as a rough
estimate.

I have the honor to be

your most obedient servant,

M. A. R.
Chairman.
