Car Festival at Kalpathi.

Ordering the publication of a notification prohibiting pilgrimage from plague-infected parts to the — in the Palghat taluk, Malabar district.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From G. W. DANCE, Esq., Collector of Malabar, to the Secretary to Government, Local and Municipal Department (through the Sanitary Commissioner, Madras), dated Camp, Beypore, 10th September 1899, Ref. on C. No. 814-Pl.

I have the honour to state that the annual car festival is to be held at Kalpathi, in the Palghat taluk, in November next. The attendance there of persons from plague-infected areas should be prohibited.

2. The festival lasts from the 5th to the 14th November, the last three days being the most important. About 15,000 people are expected to assemble on the occasion from various parts of the Presidency.

3. The holding of the festival was prohibited last year (*vide* G.O., No. 1383 P., dated 26th October 1898). This year, however, there appears to be no necessity for a total prohibition, seeing that the number and extent of plague-infected places from which people may be expected to come for the festival have greatly decreased. It will therefore suffice if the attendance of persons from infected places is prohibited. I accordingly request that the enclosed draft notification may be approved and caused to be published in the *Fort St. George Gazette*. The usual statement is also enclosed.

ENCLOSURE.

Name of festival or fair.	Place where held.	Distance to the nearest railway station.	Date of commencement and termination of festival or fair.	Average attendance during the past three years.
