ORDER. No 1419 P. Mis. dt 25-9-99

Eight sets of tents were ordered from the Central Jail, Vellore, by the Plague Commr with reference to his Progs No 697 dt 17-11-98, and were distributed as follows:—

Anantapur —	4 sets
N. Arcot —	1 set
Bellary —	1 set
Salem —	2 sets.

One tent in the Salem Dt is reported to have two small white ant holes in the outer fly, & the Collr of N. Arcot states that the tents supplied to him have been slightly injured by rats or white ants. This is unsatisfactory.

2 The tents may be required again. They are new & costly and great care should be taken in preserving them.

NOTE FOR THE ~~S.P.A~~ Secy

8 Sets of tents have been purchased from the Vellore Central Jail. A detailed list of these tents and as well as those supplied by the Ordnance Department is maintained. The tents supplied by the Salt and Abkari Dept were used by the officers of that Dept on plague duty and they were ~~ordered by the P. to be~~ lent for plague purposes on condition that they should be used only by S&A. officers on plague duty & returned to the Salt & Abkari Inspectors on the termination of plague duty. No information is available as to the no of such tents used for plague purposes. Instructions have been issued to all Collectors in Plague Commr's letter No: 1187 d/ 2.5.99 to return to the military Dept those Ordnance tents which are not required & to secure carefully in the Collector's office the tents purchased from the Jail. All these (Jail) tents must now be in good condition as the earliest supply was made only in the month of Novr last. The Collrs may, however, be asked to report on their condition.

It was understood that the supply from the Ordnance Department was
