COLLECTOR OF

BELLARY.

To

THE Plague Commissioner

Madras.

Sir,

I have the honor to report that I sent
a second Assistant Plague Inspector to Hospet
on 31.12.98, as the work in that large Union

(population 16156 at the last Census) is considered

to be too much for one man, especially as

the occurrence of plague cases last month

rendered additional precautions against the

spread of the disease necessary.

I have the honor to be

Sir,

Yours most obedient Servant
